When to Go

New Zealand is large and long, so the climate can be wildly different between the north and the south.

Summer is the most popular travel time because the weather is warm – ideal for the beach – and the atmosphere is festive. Attractions and accommodation can be busy at this time. Spring and autumn are quieter and the weather is beautiful. If you're in the north near Auckland, you'll still be wearing shorts. In the south, the nights will be cool but the days will be pleasant and the scenery will be stunning. This is a great time for hiking. In winter, the South Island can be very cold, making it perfect for a snow holiday in the mountains.

Getting Around

BY RAIL Journey through New Zealand's most picturesque scenery by rail. Travel on the Northern Explorer between Auckland and Wellington, the Coastal Pacific between Christchurch and Picton or the TranzAlpine between Christchurch and Greymouth. See page 20 for details.

BY COACH InterCity's coach network covers the whole of New Zealand, with over 600 destinations to choose from. See page 19 for details.

BY CAR Take the time to explore and discover as you make your way through New Zealand by road. For getting around New Zealand, we recommend Budget and Avis car hire. See pages 16 and 17 for details or ask your travel agent about the great specials Budget and Avis have to offer. New Zealand is the perfect destination for a driving holiday. While driving distances may be short, it is important to note that the winding roads can mean travel times are longer than anticipated. See page 7 for driving times, and our tear-out map including itinerary planner, driving times and distances at the back of this brochure.

Experiences You'll Love

The best part about travelling is the experiences you have along the way. There are countless amazing things to see and do in New Zealand. Here are a few of our favourites to help you create memories that will last a lifetime.

Ice, Ice, Baby!

New Zealand is one of the rare places you can experience a glacier up close, and The Fox and Franz Joseph Glaciers are two of the most magical glaciers in the world. Heli hikes allow walkers access to the glaciers by helicopter for a once-in-a-lifetime experience.

Home of Middle-earth

If you're a fan of Lord of the Rings and The Hobbit, Matamata in the Hamilton-Waikato region is a must see. For your own Middle-earth adventure, take a guided tour of the Hobbiton Movie Set and discover the land of lush pastures that was the backdrop for The Shire in the films.

There She Blows!

Stand back and marvel at the geothermal wonders that abound in the Rotorua region. See warm mud pools, steaming craters, erupting geysers and the southern hemisphere's largest hot waterfall. You'll feel like you've stepped onto another planet.

Cosmopolitan Queenstown

You'll be spoilt for choice with the dining and nightlife options in cosmopolitan Queenstown. Enjoy a superb wine with striking lake views, a delicious meal by a crackling fireplace and more than 150 bars that buzz every day of the week. Check out the ice furniture and cool cocktails at the Minus 5° Ice Bar and grab a world famous burger from Fergburger.

Say 'Kia ora'

Visit an authentic Maori village and enjoy a traditional Hangi and show. Eat amazing food cooked underground at the Waitangi Treaty Grounds Hangi and Concert in Paihia, or learn the art yourself at Kai Ora Maori Hangi Experience in Whakatane.

Meet the Friendly Locals

Frolic in the ocean with dolphins on tours in Kaikoura, Akaroa, and Bay of Plenty. On land, you may be lucky enough to see a kiwi in the wild! If not, you can see them at one of the many native zoos or sanctuaries, such as Zealandia near Wellington.

Fabulous Fiords

Milford Sound is a fusion of spectacular natural features. Enjoy an afternoon or overnight cruise around the dramatic fiords, spectacular waterfalls and snow-capped peaks. For a unique view of this awe-inspiring scenery try flightseeing, kayaking or hiking on the Milford, Routeburn and Kepler Tracks.

Lake Tarawera, Rotorua

Bay of Islands

North Island

As diverse as it is beautiful, New Zealand's North Island is a holiday destination boasting sights and activities to suit every taste. Whether you're looking for action and adventure, or rest and relaxation, let your imagination be your guide as you explore the island's rich culture and incredible landscape. Whatever your holiday style, you're bound to find your ideal itinerary here. Take to the sophistication of the cities on the east coast or kick back and chill out in the soulful simplicity of the west. In the subtropical Northland, the two combine in an aquatic playground where adventure and relaxation are expertly balanced.

Experience the Culture

You'll find the fascinating unique culture of New Zealand woven through an array of experiences, making your stay even more special. Away from the cities, see how traditional artists and craftspeople have made the Coromandel Peninsula their home while making it a haven for travellers. Make sure to drop into their studios and galleries as they love to share their work. A visit to the area's golden beaches and a snorkel off the coast gives insight into their creative inspiration. The North Island's cities offer everything you'd expect in terms of heritage buildings, museums and galleries but with the added bonus of stunning harbour scenery in Wellington and proximity to beaches, hiking trails and islands in Auckland. Split your time between cultural pursuits and fun in the sun amid a scene of world class shopping and restaurants.

Explore Nature

Throughout the centre of the North Island, volcanic and geothermal activity makes for a unique experience. The bubbling mud pools, hot springs and erupting geysers of Rotorua are quintessentially New Zealand. Learn about Maori culture and the proud traditions and heritage before journeying further south to join the locals for a spot of fishing on Lake Taupo or skiing and hiking in Tongariro National Park. Travel to Waikato to discover the iconic Waitomo Caves and gaze at the magical lights of the glow worms, before heading to Matamata for a guided tour of the famous Hobbiton movie set.

Discover the Wine Regions

Explore the wineries and vineyards of the second largest wine region of New Zealand, Hawkes Bay, and glimpse the Art Deco architecture unique to the area. Visit the Wairarapa wine region, only a short scenic drive from Wellington, and savour its delectable flavours.

With so many unique sights just waiting to be discovered and exciting experiences to be had, make sure you include the North Island in your New Zealand holidays plans.

Lake Tekapo

South Island

The decision to holiday in New Zealand's South Island is easy – it boasts the best snow, great food and wine and every conceivable New Zealand experience from remote trekking to whale watching. The hard part is deciding where to start. You'll want to see it all – the silvery beaches of the Pacific coastline, the jagged peaks of the Southern Alps and the whales of Kaikoura.

Experience the East Coast

Tour the world renowned Marlborough wine region where visitors are welcomed to sample wines at cellar doors. Explore Christchurch's picturesque bays and seaside villages. It's not every day you find yourself in a place of such incredible natural beauty, so make the most of it! Take your time exploring the Alpine Pacific Triangle through the gourmet Waipara Valley and the marine wonderland of Kaikoura, you'll find stunning country scenery along the way. Fish for trout in the local rivers, canals and lakes in Central Otago – the scenery alone is a good enough reason for a day spent by the water. You haven't experienced true relaxation until you've taken a soak in the naturally heated springs and mineral pools at Hanmer Springs. Such rewards are the perfect end to a day spent satisfying your more adventurous side with a bungy jump, forest hike or horse trek.

Explore the West Coast

As you leave the East Coast, the mountainous landscapes of the West Coast beckon. Words can't describe the splendour of the high peaks, dramatic valleys and crystal waters of this rugged landscape. Experience the powerful presence and amazing beauty of the glaciers of the Southern Alps. Fox and Franz Josef Glaciers extend from the highest peaks to rainforests just 250 metres above sea level. Take a guided walk in this spectacular natural icy wonderland or enjoy a scenic flight above, both unforgettable experiences. Whether it's a ski holiday or summer getaway you're here for, Queenstown's sense of fun and adventure will make your spirits soar as high as the tallest peaks. From crystal clear Lake Wakatipu across to The Remarkables mountain range, Queenstown's environment is grand and awe-inspiring. Here, in the adventure capital of New Zealand, you'll find any type of adrenaline activity to fill your day, while the downtown area is alive with fun at night. Travel out to the picturesque regional towns for crisp mountain air and country indulgence that only New Zealand can offer. The locals know the value of their pristine environment and expertly share the best ways to experience it.

Get ready for the time of your life – New Zealand knows how to make it happen.

1.3 We are not able to exercise control over services we do not supply directly, therefore we will not be responsible for any loss or damage arising from:

- Any booking made directly with a service supplier by your travel agent or by yourself direct; or
- Any services which are not provided by us and which are additional to those described in this brochure.

1.4 We will endeavour to provide the most suitable travel arrangements to meet the particular requirements you make known to us. However, travel is an individual experience, and your preferences and opinions may vary from our own. For this reason, we cannot take responsibility for your individual satisfaction, neither can we take responsibility for weather nor for compatibility of fellow guests or staff during the course of your travel.

2. Supply of Travel, Entertainment, Accommodation Service and Facilities

2.1 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.

2.2 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:

- GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
- The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.

You should check your contract with each Supplier.
- All facilities or services described by us are subject to availability from the Supplier.
- GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

4. Information in the Brochure

4.1 This brochure was published on 22 January 2019 and is valid for services used 1 April 2019 to 31 March 2020 unless otherwise advised.

4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.

4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.

4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.

4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

5. Prices

5.1 All prices shown in this brochure are on a per person basis unless otherwise stated and are expressed in New Zealand dollars. Vehicle rates are per vehicle.

5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.

5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.

5.4 All prices exclude travel agent service fees.

6. Payment

6.1 A deposit of $100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.

6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.

6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.

7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.

7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of $200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.

7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.

7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.

7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
