All bookings are made on your behalf, and are subject to the terms and conditions, including conditions of carriage and limitations of liability, imposed by these service providers. We can provide you with copies of the relevant service provider terms and conditions on request. Your legal rights in connection with the provision of travel services are against the specific provider's and, except to the extent a problem is caused by fault on our part, are not against us. Specifically, if for any reason (excluding fault on our part) any travel service provider is unable to provide the services for which you have contracted, your rights are against that provider and not against us.

LIABILITY: To the extent permitted by law, neither Flight Centre (NZ) Limited nor any of its related bodies corporate, directors, employees or agents, accept any liability in contract, tort, or otherwise for any injury, damage, loss (including consequential loss), delay, additional expense or inconvenience caused directly or indirectly by the acts, omissions or default, whether negligent or otherwise, of third-party providers over whom we have no direct control, force majeure or any other event which is beyond our control or which is not preventable by reasonable diligence on our part. Our liability will also be limited to the extent that any relevant international conventions, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail, and the Paris Convention in respect of the provision of accommodation, limit the amount of compensation which can be claimed for death, injury, or delay to passengers, and loss, damage and delay to luggage. Under circumstances where our liability cannot be excluded and where liability may be lawfully limited, such liability is limited to the remedies required of us under applicable law (including the New Zealand Consumer Law). This liability clause is subject to your rights under the New Zealand Consumer Law and nothing in these terms and conditions is intended to limit any rights you may have under the Consumer Guarantees Act 1993.

TRAVEL DOCUMENTS: Travel documents include (without limitation) airline tickets, hotel vouchers, tour vouchers or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions, including (without limitation) being non-refundable, non-date-changeable and subject to cancellation and/or amendment fees. All travel documents are non-transferable. All airline tickets must be issued in the name of the passport/photo identity holder; some carriers will deny carriage if the name varies and the booking may be cancelled. Please review your travel documentation carefully and advise us immediately of any errors in names, dates or timings. It is your responsibility to collect all travel documents prior to travel.

TRAVEL INSURANCE: We strongly recommend that you take-out appropriate

comprehensive travel insurance to cover your travel arrangements. Your insurance protection should include cover for cancellation; medical and repatriation expenses; personal injury and accident; death; loss of personal baggage and money; and personal liability insurance. Evidence of such insurances should be produced to Flight Centre on request. Insurance cover offered by credit card companies or reciprocal medical cover agreements are often not comprehensive. Travel insurance is strongly recommended by the Ministry of Foreign Affairs and Trade for all overseas travel. Your Travel Expert can provide information to you about travel insurance. For details of the services they provide, including a quote, please refer to their Financial Services Guide/Product Disclosure Statement.

PASSPORTS & VISAS: All travellers must have a valid passport for international travel and many countries require at least six months' validity from the date of return, and some countries require a machine-readable passport. It is important to ensure that you have valid passports, visas and re-entry permits which meet the requirements of immigration and other government authorities. Any fines, penalties, payments or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility (except to the extent caused by fault on our part). If you need information regarding visa and other travel document requirements for your trip, please ask your Travel Expert.

TRAVEL ADVICE: Flight Centre makes no representations as to the safety, conditions or other issues that may exist at any destination. We recommend that you contact the Ministry of Foreign Affairs and Trade, or visit their website at www.safetravel.govt.nz for general travel advice, as well as specific advice (including safety alert levels) relating to the destination you wish to visit. You can also register your travel plans, so that you may be more easily contacted in an emergency.

HEALTH: You must ensure that you are aware of any health requirements and recommended precautions relevant to your travel, and ensure that you carry all necessary vaccination documentation. In some cases, failure to present required vaccination documentation (e.g. proof of Yellow Fever vaccination) may deny you entry into a country. We recommend that you consult with your local doctor, travel medical service or specialist vaccination clinic before commencing your travel. General health advice for the destination you wish to visit is also available from www.safetravel.govt.nz.

TAXES: Certain taxes are mandatory in various countries. There may also be an additional local tax charged at some airports. All taxes are subject to change without notice.

DEPOSITS & FINAL PAYMENTS: You will be required to pay a deposit or deposits when booking. Your Travel Expert will advise you of how much that will be. All deposits are non-refundable for changes of mind or cancellations by you (subject to your rights under the New Zealand Consumer Law). Final payment is required no later than six weeks prior to departure, unless otherwise stated. Some airfares or services must be paid in full at the time of booking. If we have to change any part of your booking for reasons beyond our control; for example, if an airline changes its schedule, if a hotelier overbooks hotel accommodation, or if there are any changes in applicable taxes or charges, we will notify you. If any such changes result in your holiday costing more, or otherwise being materially different from that originally booked, then you may cancel the holiday and we will refund any monies already paid, less any charges levied by suppliers.

OUR CHANGE & CANCELLATION FEES: Subject to your refund and remedy rights under the New Zealand Consumer Law, the following change and cancellation fees apply to all bookings (including online bookings and bookings made with a Travel Expert):

- Changes to domestic trans-tasman bookings will incur a fee of \$50 per passenger per booking in addition to supplier fees.
- Cancellations to domestic trans-tasman bookings will incur a fee of \$75 per passenger per booking in addition to supplier fees.
- Changes to international bookings (excluding trans-tasman bookings) will incur a fee of \$125 per passenger per booking, in addition to supplier fees.
- Cancellations to international bookings (excluding trans-tasman bookings) will incur a fee of \$350 per passenger per booking in addition to supplier fees.

SUPPLIER CHANGE & CANCELLATION FEES: Cancelled bookings may also incur supplier fees, which can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Supplier fees may also apply where a booking is changed and when tickets or documents are re-issued. Where we incur any liability for a supplier cancellation fee for any booking which you change or cancel, you agree to indemnify us for the amount of that fee. Where you seek a refund for a cancelled booking for which payment has been made to the supplier, we will not provide a refund to you until we receive the funds from that supplier.

AMENDMENTS: An amendment is a change to an existing booking with the same inclusions. Any supplier or airline amendment fees will be charged. A transfer to another package may be treated as a cancellation and operator cancellation fees may apply. If the new package is of greater value and no operator fees apply, there will be no amendment/reissue fee.

REFUNDS: Subject to your refund and remedy rights under the New Zealand Consumer Law, no refund is available for cancellations after the holiday package has commenced, nor in respect of any tours, accommodation, meals or any other services not utilised. Selected holiday packages consist of a combined airfare and land/tour component which cannot be sold and subsequently cancelled and/or refunded separately. Requests for refunds received more than six months after the departure date for travel will not be accepted.

NOT INCLUDED IN THE PRICE OF THE HOLIDAY: All passengers are responsible for the cost of their own travel arrangements to and from their departure point (as set-out in the brochure). The cost of anything not specifically noted as being included in the holiday package is at the passenger's expense.

PRODUCT DESCRIPTIONS: Product descriptions featured in this brochure are based on current international hotel guides and information provided by hotels and suppliers. Any facilities shown as included are subject to change at any time. Tours may not operate on certain dates, and durations and departure times are approximate only. The standard of accommodation and other services is based on various factors, which are generally accepted as indicative of a certain class. However, Flight Centre does not guarantee the standard, class or fitness for purpose of that accommodation or service.

MAPS & PHOTOGRAPHS: Maps are shown for general information and are an indication only; they may not necessarily reflect actual routings, hotel and attraction locations, or services provided. Photographs show places in the geographic areas, but are not necessarily included in the holiday. Hotel room photographs are representative only, and the actual rooms occupied may vary in decor and inclusions from those shown. Many images are supplied courtesy of tourist bureaus, hotels and tour operators.

CREDIT/DEBIT CARD TRANSACTIONS: Credit card surcharges of 2% for Visa, MasterCard, American Express, Diner's Club & Q Card, will apply when paying by credit card. You authorise us to charge all fees incurred by you in relation to the services provided to the credit card designated by you. If payment is not received from the card issuer or its agents for any reason, you agree to pay us all amounts due immediately on demand.

PRIVACY POLICY: We are committed to protecting your personal information and agree to handle your personal information in accordance with our Privacy Policy, which is available online at www.flightcentre.co.nz/privacy or ask your Travel Expert for details. By providing personal information to us, you agree that our Privacy Policy will apply to how we handle your personal information, and you consent to us collecting, using and disclosing your personal information, as detailed in our Privacy Policy. In particular, you agree that in certain circumstances (such as where you request us to book international travel for you), we are permitted to disclose your personal information to overseas recipients. Such recipients may include the overseas travel service providers (e.g. airlines, accommodation or tour providers) with whom you make a booking. These travel service providers will, in most cases, receive your personal information in the country in which they will provide the services to you, or in which their business is based. We may also disclose your personal information to our overseas-related entities, and to service providers who perform services for us within and outside of New Zealand. Generally, we will only disclose your personal information to these persons in connection with the facilitation of your travel booking, and/or to enable the performance of administrative and technical services by them on our behalf. Where we disclose your personal information to any person (including all overseas recipients), you agree that we will not be required to ensure that person's compliance with New Zealand privacy laws or otherwise be accountable for how they handle your personal information. When used above, 'disclose' includes to transfer, share, send, or otherwise make available or accessible to another person or entity.

BAGGAGE: Carriers publish baggage allowances applicable for carriage over their own services. Allowances include cabin baggage and checked baggage. These allowances tend to be based on a weight allowance or a piece system. We recommend you check your baggage allowance carefully, as you may incur a charge for the carriage of baggage in excess of their free baggage allowance. Carriers also publish baggage safety notices, which detail items that cannot be carried or can only be carried in checked baggage. Again, we recommend you ask your chosen carrier about the applicable baggage safety requirements.

PRE-DEPARTURE CONTACT: Please ensure you provide your Travel Expert with a telephone number or address where you can be reached within 24 hours prior to your departure from New Zealand.

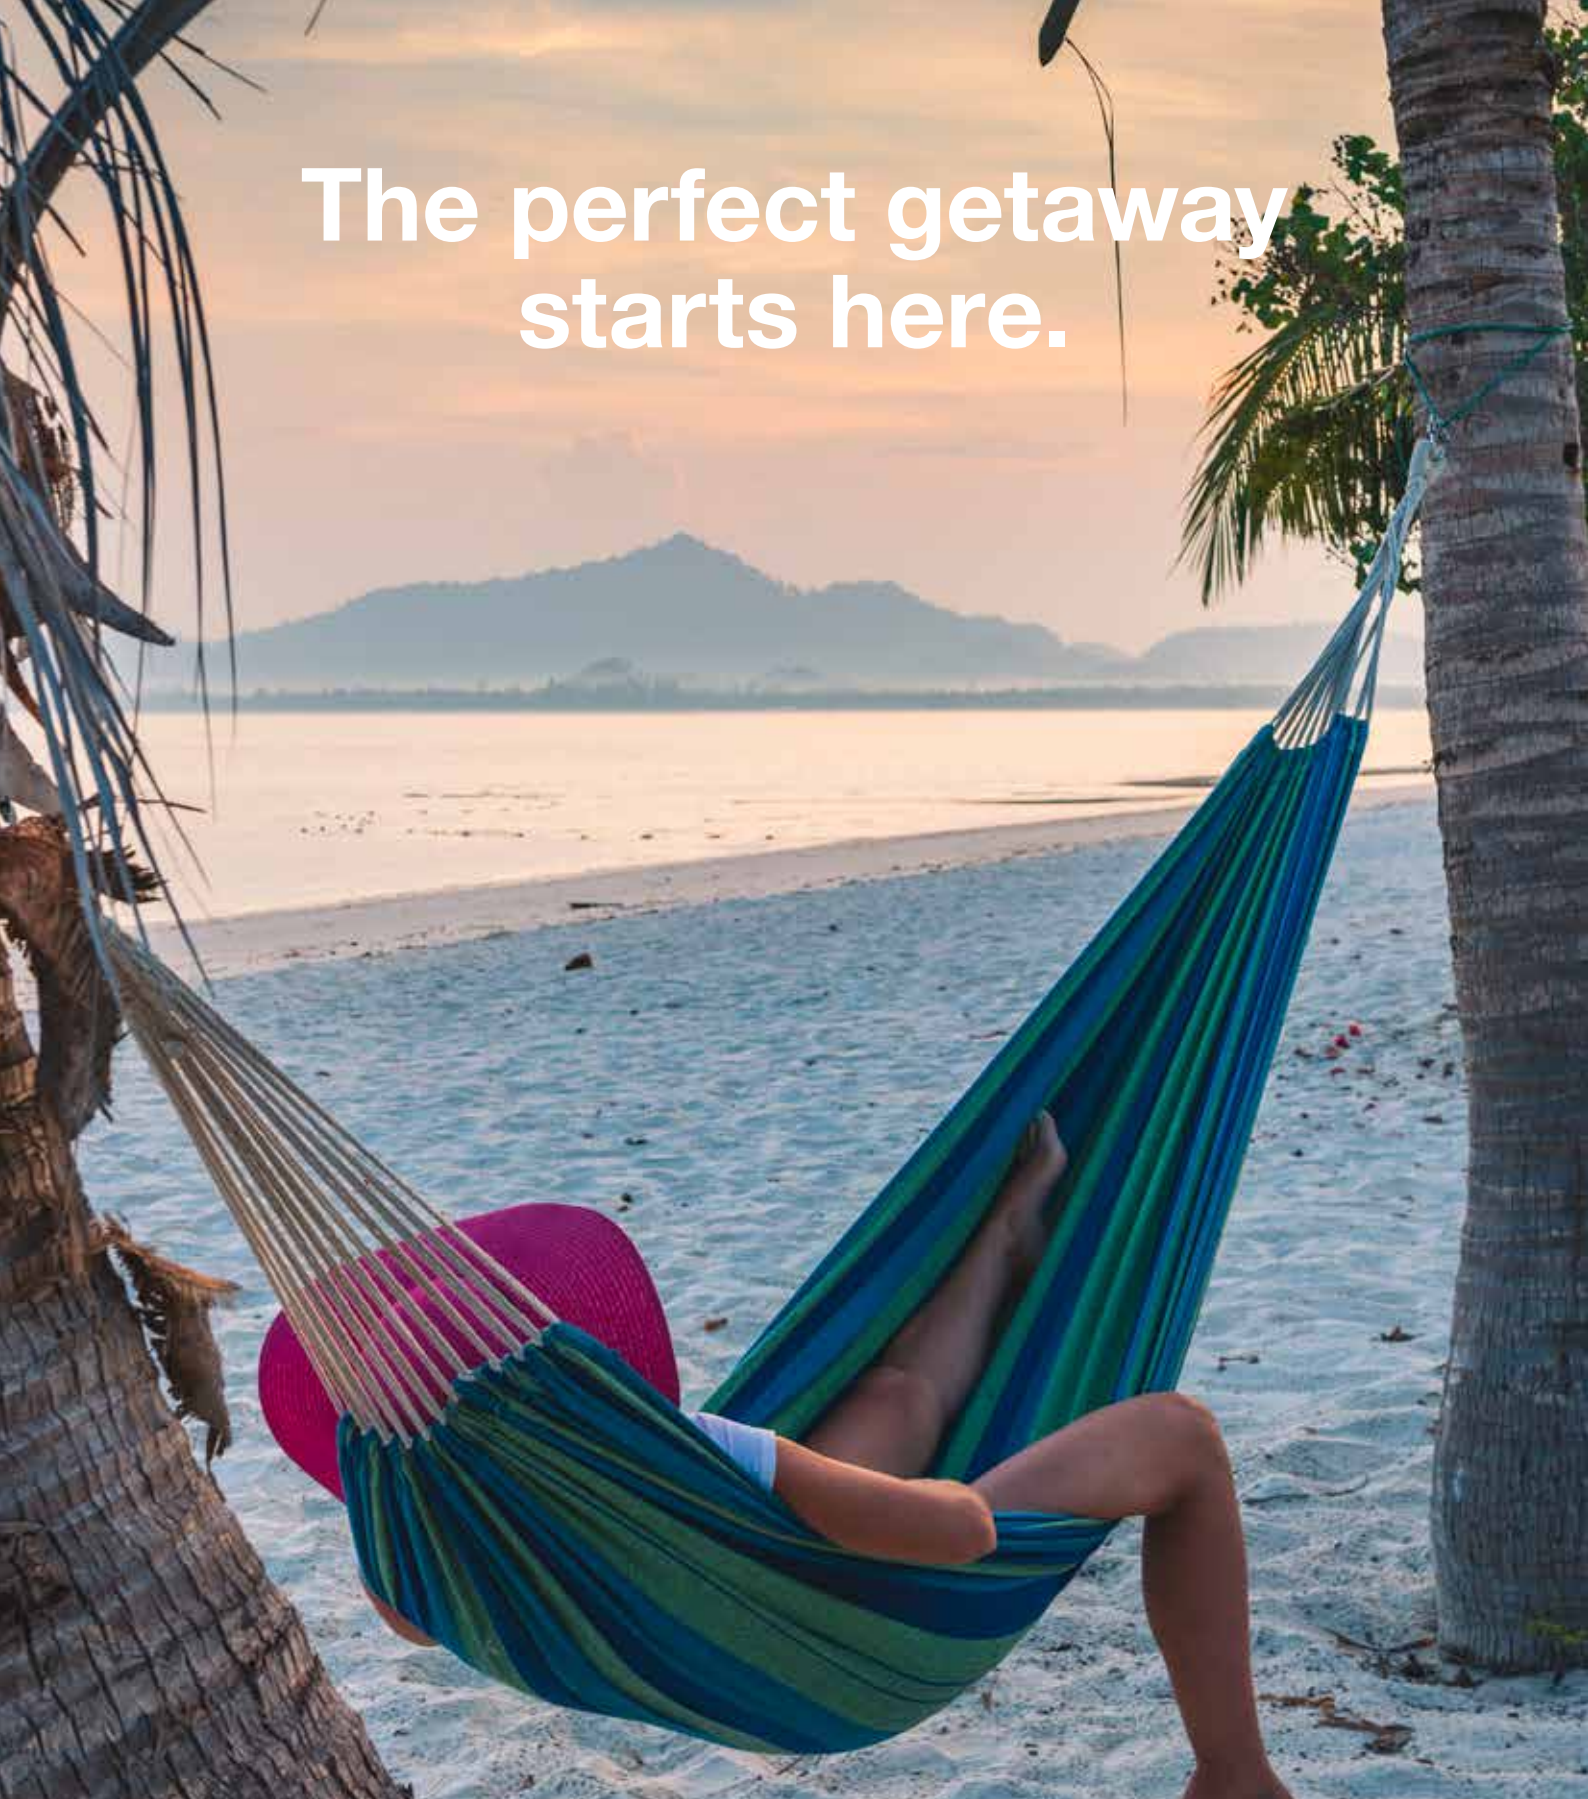

BOOKING ARRANGEMENTS: To make a booking, select the holiday of your choice and then contact your Travel Expert who will request a reservation for you. All reservations are subject to availability at the time of booking. Any verbal quote given is an estimate only and can only be confirmed when the reservation is confirmed and the deposit is received. When a booking is made, the person effecting the booking is deemed to have accepted these terms and conditions on behalf of all people named in the booking. The contract will be governed by, and subject to, these terms and conditions. No variations to these terms and conditions will be of any effect unless made in writing and with the authority of Flight Centre. All communications from us will be sent to your Travel Expert. Your Travel Expert will, on receipt of any holiday monies, hold such monies for each and every person named in the booking until that booking is confirmed, at which time those monies shall be promptly remitted by your Travel Expert to the supplier.

MONIES NOT HELD ON TRUST: All monies paid by you to us will be the property of Flight Centre and will be a debt due and payable to the relevant supplier (contingent on availing) once the services to which the money relates have been availed, or the relevant booking is cancelled (subject to cancellation fees). You agree and acknowledge that such monies will not be held by Flight Centre on trust for or on behalf of you, and we may hold such monies in any account as we see fit, including with our own and/or other customer monies.

GOVERNING LAW: If any dispute arises between you and us, the laws of New Zealand will apply. You irrevocably and unconditionally submit to the exclusive jurisdiction of the courts of New Zealand, and waive any right that you may have to object to an action being brought in those courts.

ACKNOWLEDGEMENT: You acknowledge that you are 18 years of age or older, and that you understand and agree with the above terms and conditions and our Privacy Policy. Flight Centre (NZ) Limited trading as Flight Centre.
