CRUISING IN EUROPE

With so much to see in Europe, there's no better way to travel than on a relaxing cruise which will take you to your next destination quickly and with far less fuss. Unpack only once and see a multitude of extraordinary wealth, sights and sounds throughout Europe.

Cruise at night and wake up in a new port each day ready to explore. Explore whitewashed villages, romantic canals and magnificent ruins in the Mediterranean. In Norway and Iceland, see awe-inspiring landscapes and everyday will bring new natural wonders to leave you breathless. Investigate the sights and sounds behind best-selling thrillers and scheming dramas in Scandinavia. From its Northern Lights to its southern shores, Europe will keep on thrilling and surprising you as you take the trip of a lifetime!

There is so much more to see beyond the shore. Extend your cruise with a land journey either before or after your cruise. There are escorted extensions or we can tailor make something to suit your needs and style of travelling. You really are free to do what you want, the choice is yours.

TYPES OF CRUISES

Europe offers a vast collection of cruises from Ocean/Large Ship to Small Ship/Boutique cruising and River Cruising, and they all offer different experiences. To help you choose the perfect cruise, it is important to understand the differences:

Big Ship/Ocean Cruising

Ocean ships are larger and cover more territory; they offer a wide range of onboard dining, entertainment and activities. The experience on an ocean ship is as much about the ship experience as the places you visit. Most Ocean cruises have children's facilities onboard.

Small Ship/Boutique Cruising

Choose a boutique or small ship itinerary for an intimate, yet relaxing cruise experience. Smaller ships have the advantage of being able to visit ports that larger ships cannot reach. Generally there are no children's facilities onboard.

River Cruising

Relax on a River cruise as it sails into the heart of major cities and docks in the centre of small quaint villages, something ocean ships are unable to do. The cuisine is sourced from local markets to create fresh culinary specialities, allowing passengers to experience regional food and wine. There are no children's facilities onboard.

Dining Options

One of the nicest things about cruising is that all your meals are prepared for you. There are many dining options, most will have a buffet style option for breakfast, lunch and dinner, which is the more informal option and perfect for the kids. If you prefer to dress up and enjoy waiter service then that option is available. For special occasions, why not book a table in one of the onboard specialty restaurants?

However, often a surcharge applies. Some cruiselines offer complimentary non-alcoholic beverages throughout the day, but it is recommended that you purchase a water package. Alcohol is usually excluded from the cruise fare but waiters will keep your bottle for you until the following night. Room service is also available and normally at no extra charge.

General Tips

- Ensure you book some time out in the Spa on sea days, as these will often fill up quickly
- Look up shore excursions offered online before you cruise. Good choices in shore excursions will make your trip more enjoyable
- Bring comfortable walking shoes, as a lot of time is spent walking around cities and narrow cobbled streets which are not suitable for stilettos!
- Be aware that a lot of cities in Europe are prone to pick pockets! We recommend leaving any valuables on the ship. Most cabins will have a personal safe where valuables can be safely left behind.

BOOKING CONDITIONS

1. Our Services and Obligations

- 1.1 The services within this brochure are supplied by the wholesaler GO Holidays, a division of Helloworld Limited (referred to in these Terms and Conditions as "GO Holidays", "we", "us" and/or "our").
- 1.2 We undertake to perform these services with reasonable care and skill. We will not be liable for any loss or damage, or loss of enjoyment which result from the act, default or omission of any person other than ourselves or employees, or any cause beyond our control. This includes (but is not limited to) loss, damage or loss of enjoyment which arises directly or indirectly from an Act of God, weather disruptions, dangers incidental to sea, fire, breakdown in machinery or equipment, acts of Government or authorities whether legitimate or not, wars whether declared or not, hostilities, acts of terrorism, civil disturbances, strikes, lockouts, riots, deaths, pilferage, epidemics, quarantines or medical, customs or immigration or emigration regulations.
- 1.3 We are not able to exercise control over services we do not supply directly, therefore we will not be responsible for any loss or damage arising from:
- Any booking made directly with a service supplier by your travel agent or by yourself direct; or
 - Any services which are not provided by us and which are additional to those described in this brochure.
- 1.4 We will endeavour to provide the most suitable travel arrangements to meet the particular requirements you make known to us. However, travel is an individual experience, and your preferences and opinions may vary from our own. For this reason, we cannot take responsibility for your individual satisfaction, neither can we take responsibility for weather nor for compatibility of fellow guests or staff during the course of your travel.

2. Supply of Travel, Entertainment, Accommodation Service and Facilities

- 2.1 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.
- 2.2 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:
- GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
 - The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.
 - Where for any reason, a Supplier is unable to provide particular facilities or services, then that Supplier may be entitled, under its contract with you to substitute those services or facilities with comparable or equivalent facilities or services without incurring any liability to you. You should check your contract with each Supplier.
 - All facilities or services described by us are subject to availability from the Supplier.
 - GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

4. Information in the Brochure

- 4.1 This brochure was published on 10 Jul 2019 and is valid for services used 01 Apr – 01 Dec 2020 unless otherwise advised. Exchange rates used when costing this brochure are as at 29 Jun 2019.

- 4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.

- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.

- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.

5. Prices

- 5.1 All prices shown in this brochure are on a per person basis unless otherwise stated and are expressed in New Zealand dollars. Due to the volatile nature of foreign exchange rates, please use the pricing in this brochure as a guide only.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.

- 5.4 All prices exclude travel agent service fees.

6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.

- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.

- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.

PLEASE READ THESE CONDITIONS CAREFULLY

The guarantees under the Consumer Guarantees Act will apply to services supplied by us except where they are acquired, or are held out as being acquired for business purposes.
