After a delicious breakfast that warms you to the core, you cozy up as your Host begins an intriguing tale from history. FIRST PASSAGE TO THE WEST

INTO THE UNTAMED WESTERN WILD.

VANCOUVER KAMLOOPS LAKE LOUISE OR BANFF

Our most popular route, *First Passage to the West* retraces the steps of the 19th century explorers who first marvelled at this untamed wilderness, and gives a living history lesson on the building of a nation.

TRAIN DAY 1

VANCOUVER KAMLOOPS

Board Rocky Mountaineer in the urban oasis of Vancouver, British Columbia, and journey through the farmlands of the Fraser Valley. From fertile greenery, the landscape transforms to the towering peaks of the Coast Mountains. You'll see the mighty Fraser River and the raging whitewater of Hell's Gate. Then, the landscape undergoes another transformation and you'll find yourself amid sagebrush and desert. You will pull in to overnight at a hotel in the city of Kamloops.

TRAIN DAY 2

KAMLOOPS LAKE LOUISE OR BANFF

As your mountain adventure continues and you travel east along the South Thompson River, you'll witness historic Craigellachie. This spot marks where the Last Spike was driven home on the Canadian Pacific Railway line, uniting the nation. You'll gaze in wonder at cascading waterfalls and at icy glaciers spilling over the lips of the peaks above, on your way to the charming alpine town of Banff and the brilliant waters of Lake Louise. And all of this craggy wilderness is yours to embrace, from the comfort of your luxurious Rocky Mountaineer coach.

W E

You can also choose to travel Westbound, journeying from Lake Louise or Banff to Vancouver.

“What an incredible journey. The scenery is magnificent...you spend two days being treated like a king.”

JOURNEY THROUGH THE CLOUDS

ENCOUNTER WILDERNESS IN
THE MOST CIVILIZED WAY.

By geological standards, the Canadian Rockies are a relatively young mountain range. And because they're remote, they are essentially unspoiled. Our *Journey through the Clouds* route takes you through some of the most untouched, most breathtaking natural beauty on the planet.

TRAIN DAY 1

Your journey starts gently, moving through the fertile farmland of the Fraser Valley and the rolling hills of the Coast Mountains. As your train gains altitude beyond the town of Hope, the Fraser River narrows and the waters run rampant. The train will slow to fully appreciate Hell’s Gate, a narrow canyon where the volume of water rushing through is about three times greater than Niagara Falls. At the midway point of your journey, near your overnight stop in Kamloops, the river valley remains lush and green while sagebrush covers the surrounding desert-like hills.

TRAIN DAY 2

When you board the train after spending the night in a charming Kamloops hotel, you will follow the North Thompson River, slowing to take in Pyramid Falls, a 91.5 metre (300 ft.) cascade of whitewater. After giving you time to pick up your jaw, the train continues on to the Yellowhead Pass. Moving past teal-green lakes, you’ll close in on Mount Robson, the tallest peak in the Canadian Rockies. It’s so high it has its own weather system. The striking thing about this route is that once you’ve seen what you think is the most beautiful sight ever, something even more stunning comes along. To cap it all off, you’ll wind up in the alluring alpine town of Jasper.

You can also choose to travel Westbound, journeying from Jasper to Vancouver.

A misty landscape with a forest of trees in autumn colors reflected in a calm lake. The scene is serene and atmospheric, with soft light filtering through the fog. The trees are a mix of evergreens and deciduous trees with yellow and orange foliage. The water is still, creating a clear reflection of the forest and the sky above.

“[We] had an incredible trip on Rocky Mountaineer... wonderful scenery, knowledgeable and attentive staff and incredible cuisine. Thanks for a lifetime memory.”

RAINFOREST TO GOLD RUSH

FIND THE WORLD'S MOST NATURAL TREASURES.

VANCOUVER WHISTLER QUESNEL JASPER

This three-day route takes you from one extreme to the next, in the best way possible. From the world's largest temperate rainforest to desert landscapes. From a vibrant city to a quaint mountain town. From tranquil ranchland to some of the most untamed wilderness anywhere on the planet.

TRAIN DAY 1

Beginning at the foot of the Coast Mountains, overlooking the stunning city of Vancouver, British Columbia, you'll roll along the scenic fjord of Howe Sound. Prepare to be amazed as you make your way past massive cliffs, canyons, and stunning bridges. You'll then arrive at world-famous Whistler, the 2010 Olympic and Paralympic Winter Games host city. There, you'll explore the picturesque village and enjoy a relaxing stay at one of Whistler's hotels.

TRAIN DAY 2

The next day, you'll depart from Whistler and travel up the Pemberton Valley, as you glide beside gorgeous Anderson and Seton Lakes. Turning north and west, the landscape becomes more rugged. More wild. Sheer cliffs on one side, milky green lakes on the other. You'll emerge into the arid ranchland near Quesnel, Canada's gold rush capital. The gold rush may be over, but there are still many treasures to be found in this historic region.

TRAIN DAY 3

After an overnight hotel stay in Quesnel, you'll head north again. Wide-eyed, you'll experience mountainous terrain, untouched lakes, and incredible waterfalls. You'll gradually gain altitude and enter the Canadian Rocky Mountains. The awesome sight of Mount Robson, the range's highest peak, will greet you as you wind your way to the alluring alpine town of Jasper, Alberta. Every step of the way, your emotions will follow the extremes of the journey, from silent awe to uncontained elation.

You can also choose to travel Westbound, journeying from Jasper to Vancouver.

“...we were treated like royalty. Fantastic and friendly staff. Excellent food, drinks and snacks. Wonderful scenery. Informative commentary. A must-do experience we will remember forever.”

COASTAL PASSAGE

WHERE LANDSCAPES MEET SEASCAPES.

As a gateway to the Canadian Rocky Mountains, our *Coastal Passage* route hugs the shoreline between the cosmopolitan cities of Seattle and Vancouver, before traveling east into the mountains. For the first part of your journey you'll be living on waterfront property, so to speak, soaking in incredible views of the Pacific Ocean, coastal rainforest, and Coast Mountains.

TRAIN DAY 1

Board the train in the Emerald City of Seattle, Washington then journey north past the farms and forests of Puget Sound, picturesque Chuckanut Bay, and the pristine waters of the Salish Sea. All with the majestic volcanic cone of Mount Baker dominating the distant skyline. Eventually, you'll reach the beachside city of White Rock, on your way to the gleaming glass towers of Vancouver. Spend one or more nights in Vancouver prior to continuing east on your Canadian Rockies rail journey.

TRAIN DAY 2

Board Rocky Mountaineer in the urban oasis of Vancouver, British Columbia, and journey through the farmlands of the Fraser Valley. From fertile greenery, the landscape transforms to the towering peaks of the Coast Mountains. You'll see the mighty Fraser River and the raging whitewater of Hell's Gate. Then, the landscape undergoes another transformation and you'll find yourself amid sagebrush and desert. You will pull in to overnight at a hotel in the city of Kamloops.

TRAIN DAY 3

As your mountain adventure continues and you travel east along the South Thompson River, you'll witness historic Craigellachie. This spot marks where the Last Spike was driven home on the Canadian Pacific Railway line, uniting the nation. You'll gaze in wonder at cascading waterfalls and at icy glaciers spilling over the lips of the peaks above, on your way to the charming alpine town of Banff and the brilliant waters of Lake Louise. And all of this craggy wilderness is yours to embrace, from the comfort of your luxurious Rocky Mountaineer coach.

You can also choose to travel Westbound, journeying from Lake Louise or Banff to Seattle.

“Our trip last October was awesome and forever in our memories. It makes me smile and cry all at once when we watch the video and recapture our experience. It is a Must-Do trip!”

- STEP 3 -

CHOOSE YOUR SEASON.

You can travel on Rocky Mountaineer during the spring, summer, or autumn. This means you can experience the beauty of the Rocky Mountains under very different conditions. In the spring, you can witness the wilderness coming to life. Summer offers longer days and more wild creatures to see. And in the autumn, the leaves begin turning and hints of frost touch the peaks of the mountains. Keep in mind that early spring and late autumn offer our best pricing.

SPRING

APRIL | MAY

As winter relinquishes its hold and the wilderness comes to life, this is one of the best times to get onboard Rocky Mountaineer. Lakes, streams, and waterfalls swell. Bears lumber out of hibernation. Birds begin nesting. And best of all, the crowds of summer tourists have yet to arrive.

SUMMER

JUNE | JULY | AUGUST

Warm weather urges vegetation to flourish. Baby animals emerge under their parents' watchful eyes. The days grow longer. The rainforest is at its most lush and the arid desert canyons have an especially rugged beauty during June, July, and August.

AUTUMN

SEPTEMBER | OCTOBER

The forests create a vibrant display of red, orange, and gold, mixed with evergreen. Snow frosts the mountain peaks. The animals forage through the wilderness to prepare for the coming winter. The crowds of summer tourists are waning in October.

Remote, elegant, and exclusive, this five-star hidden gem is well worth seeking out.

This jewel offers you the option of combining Sonora Resort—a five-star all-inclusive getaway in the wilderness—with a Rocky Mountaineer rail journey. Only accessible by sea or air, Sonora Resort is nestled in British Columbia’s Discovery Islands on a remote stretch of pristine coastal rainforest. But the accommodation and amenities are a far cry from roughing it.

Choose from an abundance of outdoor activities or enjoy the lavish on-site features. We suggest a mix of both. What better way to wind down from hiking and biking through unspoiled wilderness than rejuvenating at the spa? Or, perhaps you’ll decide to add on an eco-adventure tour, guided salmon fishing, or a grizzly bear tour. After, you can relax in the rooftop hot tubs, hop into the sauna, take in a movie, or visit the putting green.

ADD-ONS TO MAKE YOUR JOURNEY UNIQUELY YOURS.

Rocky Mountaineer is far from a one-size-fits-all experience. It's a journey that can be personalized and customized to fit your unique way of navigating the world.

Nor will they be responsible for any loss or damage relating to train cancellations or any other cancellations. Rocky Mountaineer and GCRC reserve the right to decline to accept or retain any person as a tour participant should GCRC determine that such person's behaviour, health, or mental condition is detrimental to the operation of the tour or to other guests. Refund Policy: Requests for refunds must be directed in writing to your travel agent or Rocky Mountaineer, and will be in the same currency as the final payment and deposit. Unless stated otherwise, no refunds will be made because of airline delays, unused services, or other acts beyond the sole control of Rocky Mountaineer.

BOOKING TERMS & CONDITIONS

13. Brochure Prices

All prices herein are quoted in Canadian (CAD) dollars plus GST. Please refer to section 14 for further details regarding GST. Prices and information in this brochure are for the 2020 season and are subject to change without notice. Rocky Mountaineer cannot be held responsible for any changes that may occur and reserves the right to increase the price of any travel arrangement up to the date of departure. This includes, but is not limited to, exchange rate adjustments, fuel surcharges, and airfare increases. Deposits along with final payments must be in the same currency as the booking. Changes to bookings such as alterations of services, or cancellations are charged in the same currency of the original booking, and each change is subject to the current pricing as per the date of change.

Prices displayed are per person based on double occupancy. Prices for singles, triples, quads, and for children are available on request.

14. Canadian Goods and Services Tax (GST)

All prices are subject to GST, which will be charged upon confirmation of booking. Currently, the Canadian GST rate is 5%. Other sales taxes vary by province in Canada; therefore, applicable taxes may vary for itineraries with services delivered outside of British Columbia. Canadian taxes are subject to change. As such, guest billings may be adjusted as required.

15. Product and Service Exclusions

The following costs are not included unless otherwise specified: GST, fuel surcharges, transfers, gratuities, alcoholic beverages, meals, room service or other hotel incidentals, items of a personal nature, and all other items not specified in the description of the applicable tour. We reserve the right to pass on any additional costs charged by our suppliers. No right of cancellation exists in this circumstance.

16. Self-Drive Itineraries and Car Rental Policies

Minimum requirements for car rental:

- Driver must be 25 years of age, or older,
- Possess a valid driver's licence, and
- Hold a major credit card.

If the driver's licence is not in English, an International Driving Permit is required. This is required for translation purposes to confirm the validity of the driver's licence for the safety of renters and for the car rental company.

A credit card deposit will be required at time of car rental pickup to cover costs not included in the Rocky Mountaineer itinerary. These costs are the responsibility of the renter and are payable when the vehicle is returned. A car rental day is based on a 24-hour period. For example, if you have a three-day car rental and you pick up your car at 10 am, it must be returned at or before 10 am three days later; otherwise, you will be charged an extra day's car rental.

Rates are available at participating locations in Canada. Rates include unlimited mileage on subcompact (Group A) through full size (Group E). All taxes, fees (including but not limited to Air Conditioning Excise Recovery Fee, Concession Recovery Fee, Vehicle Licence Recovery Fee, Energy Recovery Fee, Tire Management Fee, and Frequent Travel Program Fee) and surcharges (including but not limited to Customer Facility Charge and Environmental Fee Recovery Charge) are extra.

DEPOSIT AND CANCELLATION SCHEDULE*		
DAYS PRIOR TO DEPARTURE	DEPOSIT PER PERSON (CAD)	CANCELLATION PENALTY PER PERSON (CAD)
61+	20% of itinerary price	20% of itinerary price
46-60	100% of itinerary payment due	50% of itinerary price
0-45	100% of itinerary payment due	100% of itinerary price

* Select promotions require earlier final payments, which will be described in those offers.

Rates exclude LDW (Loss Damage Waiver), Personal Accident Insurance (PAI), and refuelling. Hotel parking, local toll, highway fees, or travel stickers required by local authorities are extra. Optional items/services such as child seats that are purchased locally are subject to local taxes and fees. Minimum age may vary by location. An additional daily surcharge may apply for renters under 25 years old. Upgrades to higher car class, additional rental days, and additional drivers are extra. A one-way fee will be charged if the vehicle is not dropped off at the location specified in the itinerary.

You are solely responsible for compliance with all laws that may be applicable as a driver of a rented car, including but not limited to those related to the consumption of drugs and alcohol.

17. Deposit, Payment, and Changes

A deposit must be received at the time of booking to confirm your reservation, and must be in the same currency as the booking. See the Deposit and Cancellation Schedule. Final payment must be received no later than 60 days prior to the date of departure. American Express, MasterCard, VISA, JCB, Discover, Ennet, China Union Pay, and Diners Club are acceptable forms of payment in addition to cheques. Final payment must be in the same currency as the deposit and booking.

For cheques drawn on financial institutions outside Canada, an additional 15-day period is required (75 days in total) to permit international bank clearance procedures. Cheques should be made payable to "Great Canadian Railtour Company Ltd".

Please submit payment to:

Should you upgrade the total cost of your Rocky Mountaineer itinerary, make sure you upgrade your insurance coverage to ensure the total amount of your trip is covered. Specific terms, limitations, and conditions apply to all travel policies purchased. Please ensure you understand your policy before you travel. See above right for contact details to upgrade or purchase insurance.

19. Last-Minute Bookings
