Travel Styles

We understand that one type of holiday does not fit all, so we've created a range of travel styles. A selection of ways you can explore the world. Some cover the must-see sights. Some go more in-depth. And sometimes we mix two styles into the one journey. We often offer multiple travel styles in the one destination, ensuring your experience is perfectly aligned with why you want to go, your interests, and your fitness level.

/ 01

River Cruising

There's nothing more liberating than unpacking once, knowing you don't have to do it again any time soon. Knowing every little detail is taken care of. So you're free to join in the cultural, culinary and historical experiences designed exclusively for you. Free to go ashore and explore on your own. Free to relax on board and admire the ever-changing scenes.

Travel Styles overview

/ 02

Classic Journeys

By rail or road, these journeys visit the must-see sights and some lesser-known gems in several countries. Limited to 40 guests, luxury accommodation awaits in central locations, as does dining in some of Europe's best settings. And of course, the perfect amount of leisure time is a given.

/ 03

Small Group Journeys

Joining just 19 other guests, part ways with the well-worn trail and stay a little longer in places to uncover their true character. Think authentic boutique accommodation. Think local exploration and interaction. Think cultural immersion. These trips attract the most inquisitive of travellers.

/ 04

Small Ship Expedition Cruising

Aboard an intimate, ocean-going vessel, spend less time waiting to embark or disembark and dock right in the middle of a city or town, or jump aboard a Zodiac and head into remote locations. APT's expedition team are always on hand to ensure your safety, comfort and enjoyment.

/ 05

Luxury Small Ship Cruising

Refined and relaxed, your private yacht experience is personalised to perfection. No disembarkation queues each time you reach a new destination. Dock in ports longer and overnight to experience Europe once the crowds have left. You can even swim straight off your boutique ship's deck.

River Cruising / 01

The road less travelled is a river, and it's one that you'll want to take again and again. No traffic jams. No fending off crowds. No multiple hotel rooms. No hassles. Your cares will melt away as you drift along on your luxury all-inclusive cruise to each new destination. Simply unpack, relax, and we'll take care of everything else.

Awake to Something New Each Day

Every day is a new destination waiting to be discovered. Join exclusive cultural, culinary and historical experiences designed especially for you, go off and explore on your own, or take it easy and relax on board.

We're There For You

You can expect award-winning service from start-to-finish. Your APT cruise director will go the extra mile to ensure your journey exceeds your every expectation. On Concerto River Ships, our butler service is available in many suite categories.

Outstanding Dining & Accommodation

You'll be treated to onboard dining experiences to rival those of Europe's finest restaurants. From tasting menus at the Chef's Table and fine dining to casual fare, experience a wealth of culinary choice with all meals and a wide selection of beverages included. A selection of premium wines, including Pouilly Fumé and Chablis, are also available with dinner each evening on our Aria and Concerto vessels.

When it comes to accommodation, many of our suites feature two unique balcony areas, making them among the most luxurious afloat.

Above You'll want to take our butlers home with you

Classic Journeys / 02

These journeys are the perfect blend of the must-see and the lesser known. Traverse Europe by rail or road, then retire to luxurious accommodation in prime locations.

The Must-See Sights & Experiences

You'll be gobsmacked by Norway's fjords, engulfed by towering peaks. Lose your breath as you take in Portugal's Algarve. In Switzerland, feel like you're on top of the world around 3,450 metres above sea level at Jungfrauoch.

A Little Luxury

We're not normally ones to name drop, but when you hear Four Seasons, InterContinental, Kempinski, Regent and Sofitel, rest assured that we've partnered with the very best when it comes to ensuring your sweet dreams.

We Have a Few Friends You Should Meet

Countessa Lelia Passi invites you into her Italian palazzo to share secrets of Venetian cuisine. One of Latvia's famous food bloggers, Signe Meirane, will show you the culinary hot spots in Riga.

Above Put yourself in the best position to explore must-see sights in places such as Venice

Small Group Journeys / 03

Limited to just 20 guests, being in a small group means you can explore places larger groups cannot access, as well as experience a more in-depth cultural immersion.

It's All About You

You'll be treated as an individual, with tailored commentary to suit your interests. And there's always plenty of time to discover new places and to try the local dining scene on your own terms.

Stay Longer, Explore More

Longer stays in each location not only allow you more freedom, they also allow us to include some particularly in-depth experiences. Such as discovering Ireland's Slieve League Cliffs with local specialist, Paddy Clarke.

Authentic & Boutique Properties

In hand-picking all of our hotels, we consider their historical, architectural and cultural significance and seek out one-of-a-kind settings. We also ensure the cuisine is exceptional and locally inspired, the service warm and your comfort is important to them as it is to us.

Exclusive Access

Some itineraries feature exclusive private access to venues. In Athens, for instance, we have arranged an after-hours visit and dinner at the Museum of Cycladic Art.

Small Ship Expedition Cruising / 04

Expedition cruising is all about venturing further, seeing more, and doing more, while also enjoying great food, wine and a little pampering along the way.

APT's Own Ships

With our very own fleet of small ships, we have the flexibility to hand-craft every element of your adventure, from each included shore excursion to an exclusive range of onboard events, and even the very route we sail.

Sail Away From The Crowds

Bigger is not always better in the cruising world. Our ships are purposely built small, carrying a maximum of 118 guests instead of thousands so we can access shallow shorelines, remote ports or quieter towns, and incredible natural areas.

Life as an Explorer APT Style

Awake each morning to a new adventure – a remote isle to explore or a tiny village to discover. In the evening, kick back on board with your favourite drink and a long, decadent meal.

Your Expedition Team

These professionals are leaders in their field. They expertly guide every foray off the ship to ensure you get the most out of your adventure. They also hold presentations, expedition briefings and cheerfully answer questions along the way.

Luxury Small Ship Cruising / 05

Travelling with only 33 other guests, cruise the Adriatic in style aboard a boutique vessel. On your personalised journey, avoid the queues and explore more, minus the crowds.

It's Like Having Your Own Private Yacht

On board, an experience awaits akin to being on a private yacht. It's all about personalised service, with your crew on hand at all times to ensure your cruise of a lifetime. You can even swim straight off your ship's deck for a refreshing dip in the sparkling Adriatic waters.

The MV Queen Eleganza

Beautifully crafted for the Croatian coast, the boutique MV Queen Eleganza is one of the finest vessels on the Adriatic waters. With a maximum of only 18 cabins, enjoy a refined, relaxed and informal onboard atmosphere.

When The Crowds Are Away, It's Time to Play

Once the larger vessels leave, your ship will dock overnight so you can feel what it's like to be a local. Perhaps seize the moment and sit down to dinner in an authentic tavern.

All-Inclusive Luxury

In contrast to other holidays, which may see you spending weeks, months or even years researching and planning, we like to make things as easy as possible for you. When you travel with APT, everything you need and nothing you don't is included and organised. So instead of wasting time stressing about the little things, you can book knowing that we've got everything covered. Knowing that when you're away, we're taking care of those tiny details. It's the sort of luxury that sets you free.

/ 01

All-inclusive. All taken care of. Always.

From the moment you depart to the moment you return, everything you need is included in the trip price you pay. Which means you're 100% free to make the most of every moment, without the hassle of wondering what it's all going to cost.

/ 03

Luxury Dining

By land, river or sea, the dining experiences on offer will not disappoint. Michelin-starred restaurants. Family-owned estates. Cooking classes. Meals in private homes. Plus on our river and small ships, a fine selection of beverages are included.

France

There's little wonder France has become one of our most popular cruising destinations – the scenery alone, dotted with châteaux and medieval villages, is extraordinary. Then there's the food, famous wines and that French 'joie de vivre' that seems to add a spring to your step. Follow history's path along the Rhône River, sample the wines of Bordeaux, and see why artists the world over have been inspired by the Seine. Play with the rich and famous on the Côte d'Azur, roam the French countryside by rail and call in at the châteaux of the Loire Valley.

Romantic Rhône & Seine

With Barcelona

To open the show, there's a stay in Barcelona. Then it's time to discover the châteaux and medieval villages that dot the banks of the Rhône. There are gourmet treats too – olive oil, truffles, chocolate, food markets and award-winning restaurants. Then zip to Paris and cruise the Seine, where you'll find Monet's home and a wealth of world war history.

Stay: Edinburgh, The Principal Edinburgh Charlotte Square.

Day 02: Edinburgh, Fife, St Andrews

✪ After breakfast, set out for St Andrews. Along the way, breathe in the sea air as you travel along the Eastern peninsula of Fife, previously home to monarchs for more than 500 years and now teeming with rolling green farmland and delightful villages. Here, you will stop in the charming fishing town of Crail. This evening, we have something very special planned. There is no place more fitting for your welcome dinner than Glamis Castle, the childhood home of HM Queen Elizabeth the Queen Mother and birthplace of HRH Princess Margaret. The castle is also the ancestral seat to the Earls of Strathmore and Kinghorne since 1372, as well as providing the inspiration for Shakespeare's *Macbeth*. **BD**

Two Nights: Fairmont St Andrews.

Day 03: St Andrews

Today, embark on a fascinating walking discovery of St Andrews, taking in sights of the University of St Andrews and its beautiful grounds including colleges of St Mary's and St Salvator's, as well as the Museum of the University of St Andrews (MUSA). The rest of the day is at leisure for you to explore. Tonight, you might like to try the local dining scene. **B**

Day 04: St Andrews, Cairngorms National Park, Inverness

Stop by the incredible Cairngorms National Park in the heart of the Scottish Highlands. Within the park, a plethora of attractions can be

found, including castles, wildlife and of course distilleries, where you will visit a local whiskey house for a tasting. Later, arrive in Inverness in time for dinner. **BD**

Two Nights: Inverness, Ness Walk Hotel.

Day 05: Inverness, Ullapool

Embark on an exploration of the rarely visited Ullapool, a remote, picturesque fishing port town situated on the shores of Loch Broom. Not only is it the largest settlement in Western Ross, it's also served as an emigration point during the Clearances. Here, admire beautiful whitewashed cottages dotted along the harbour, as well as the surrounding unspoilt scenery. We have left the rest of the day for you to either further explore on your own or take it easy as you relax and unwind. **B**

Day 06: Inverness, Isle of Skye

Travel to the iconic Loch Ness and stop at the famous viewpoint over Loch Garry. Stretching approximately 37 kilometres, the deep, dark waters run from Inverness to Fort Augustus. You will then continue past the immense mountain range of the Five Sisters of Kintail, which offers one of the best views of the Northwest Highlands. Later, see the village of Kyle of Lochalsh with its whitewashed buildings before crossing the bridge to the Isle of Skye, where you'll have dinner tonight. **BD**

Two Nights: Duisdale Isle of Skye Hotel.

Day 07: Isle of Skye

Today is all about exploring the Isle of Skye, commencing with a visit to Dunvegan Castle & Gardens, set in the heart of a staggering 17,000-hectare property which has been the ancestral home of the Chiefs of MacLeod Clan for 800 years. The gardens, meanwhile, are a hidden oasis containing an eclectic mix of plants offset by shimmering pools and waterfalls. Afterwards, you'll need to have your camera handy as you take a scenic drive along the dramatic Trotternish Ridge. This drive offers

Scotland's most incredible scenery, teeming with spectacular cliffs and rock formations. The ridge rises to 719 metres above sea level at its peak, the Summit of Storr. Later, return to your hotel for dinner this evening. **BD**

Day 08: Isle of Skye, Mallaig, Isle of Eriska

Take the ferry across to the bustling ferry port town of Mallaig, before stopping near the Glenfinnan Viaduct for a photo of the Jacobite Steam Train, made famous by the *Harry Potter* series. We have planned a very special stay for the next two nights on your very own private island. The Isle of Eriska derived its name from the surge of Norse invasions in the 10th century. The Big House was built in 1884 by a branch of the Stewarts of Appin. The isle itself is 300 acres of unspoilt natural beauty, where you may be able to spot wildlife such as seals, Roe and Red Deer. Tonight, savour an incredible gourmet experience at the hotel's fine dining restaurant. **BD**

Two Nights: Isle of Eriska Hotel, Spa & Island.

Day 09: Isle of Eriska, Glencoe

Admire Glencoe, considered one of the most beautiful glens in Scotland and the site of the Massacre of Glencoe in 1692, following the Jacobite uprising that commenced in 1689. Members of the Clan MacDonald of Glencoe were murdered by government forces for not being prompt in pledging their allegiance to the new monarchs, William III of England and II of Scotland and Mary II. Otherwise, golf enthusiasts will enjoy a round on the greens. Later, return to your island for dinner. **BD**

Day 10: Isle of Eriska, Loch Lomond & The Trossachs National Park, Edinburgh

Absorb sublime vistas as you enter Loch Lomond and The Trossachs National Park. This region has had a profound affect on Gaelic culture, myth and folklore. Afterwards, return to Edinburgh, where you will say your goodbyes at a farewell dinner.

Glossary

Clarifying the intricacies of a journey to Europe with APT.

a

Adaptors & Electricity

The electrical outlets in the suites and public areas aboard all ocean ships are 110V – two flat pin (US style). There is a 220V outlet for electric shavers in the bathroom, but this outlet does not have sufficient wattage for most appliances.

Electricity is 220V on board our river ships throughout Europe and Russia. A European plug adaptor is necessary for appliances from home. On the MS AmaBella and MS AmaVerde, there is one Australian power point in each suite.

The use of personal hairdryers (there is a hairdryer in your suite), clothing irons, curling tongs, etc. in your cabin is strictly forbidden as they may damage the ships' electrical system. Outlets are able to charge items such as phones, tablets and camera batteries.

Allergies

If you have a food allergy or another condition that needs to be managed on tour, please advise your booking agent as soon as possible, as most suppliers require advance notice to accommodate this. In some cases you might be asked to fill out a form or waiver.

Air Conditioning & Heating

All suites on board our ships have individual climate control.

Audio Guides

Each guest will have an audio headset on tour. During excursions, these lightweight headsets allow you to hear every word of your local guide's commentary. On board your river ship, with the exception of Russia, this device also delivers commentary on the places you're cruising past.

Climate

The climate of most of Central and Eastern Europe, including southern Scandinavia, is categorised as cool-summer humid continental. As in Western Europe, summers are mild, but winters are significantly colder, with snowfall a common occurrence in certain locations.

As weather patterns can vary significantly depending on time of year and destination, please refer to www.climate-zone.com for current weather information.

Coaches

Coaches used on our Classic Journeys have additional legroom, or are 40-seater coaches, and feature an onboard toilet and complimentary Wi-Fi internet. On our Small Group Journeys, our luxury coaches have no more than 40 seats and are equipped with complimentary Wi-Fi internet. As coaches use a satellite system for Wi-Fi internet, routing may cause reception to be restricted at times. Complimentary Wi-Fi internet is not available on our Grand City Stays. Please note that coaches in Morocco do not have an onboard toilet.

Currency

In Europe, the currency on board our river ships is the Euro. In Russia, the currency is the Russian Ruble. For your convenience, all purchases and paid services on board our river ships are billed to your shipboard account. At the end of the cruise, you will receive a total that can be paid with cash or credit card. The ships do not accept payments made by Diners Club cards, prepaid Visa or MasterCard, EFTPOS, Travelex cards, cash passports, prepaid cash cards or travellers cheques.

For the most up-to-date exchange rate and currency information, please check with your bank, or visit www.xe.com (universal currency converter).

d

Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings.

If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels.

When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply.

In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held.

APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions as per brochure. This does not replace travel insurance, which we strongly recommend at the time of booking.

Dining

All meals on board your cruise are included. Meals are served in the dining room in a single sitting. No table reservations can be made in the main restaurants, however once on board our Aria and Concerto river ships, guests have the option of making a reservation at the Chef's Table Restaurant.

On board, enjoy a full buffet breakfast each morning in the main restaurant. Lunch consists of salads, soups, and a choice of entrees, mains and desserts. Dinner is a multi-course meal also presenting a selection of entrees, mains and desserts. Casual dining is also available.

On land journeys, a full buffet breakfast is included each day. Selected lunches and dinners are also included as indicated on itinerary pages.

Vegetarian and gluten-free options are available on cruises – please notify APT of any special dietary requirements when making your booking.

Disruption to Cruising & Itinerary Arrangements

Itineraries are subject to alteration without notice and are intended as a guide only. Although every effort will be made to keep them as they are shown in the brochure and final documents, deviations to the planned cruise/touring itineraries and hotels are possible due to road, river or weather conditions, strikes, or other reasons beyond our control.

Should conditions render cruise/land touring routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation not on the docked ship and/or substitute touring arrangements.

Dress Code

The dress code on our cruises and tours is relaxed. Light, comfortable clothing is ideal for during the day, but smart casual clothing for evenings on board the ship is recommended. You may wish to bring something a little dressier for the welcome and farewell dinners and any special events such as NAMEDY Castle, however there will be no black tie or formal evenings.

We highly recommend that you pack a variety of light to medium weight clothing, plus rain-wear in case of cooler or wet weather. Layers are a good option to cover a range of temperatures and to suit changing conditions. Comfortable footwear is imperative, as some excursions involve walking steps or ramps to embark/disembark.

If your sightseeing includes churches, monasteries, mosques or synagogues, dress casually, but keep your clothes clean and ensure sufficient body cover (for example, cover your shoulders and wear trousers or a knee-length dress).

e

Elevator

In Europe, an elevator is located on all ships. However, the Piano and Sun decks are not accessible by elevator on APT's Aria and Concerto river ships. All decks are accessible by elevator on the MS AmaVida and the MS AmaMagna except the Sun Deck. In Russia, the Lower Deck cannot be reached by elevator on the MS Valentina.

Entertainment

Onboard entertainment varies for each ship and depends on the region and the availability of performers.

f

They will be able to provide you with further information. If your first choice of option is unavailable, you may be asked to choose an alternative.

If your flight arrives in the morning, luggage can be dropped off at the hotel before check-in and delivered to your room later. You will be required to present a credit card upon check-in to cover incidentals. If you do not have a credit card, a monetary deposit in local currency may be required. Amounts differ for each hotel. Normal check-out times vary, but are usually at 11am or 12 noon. If you have a late afternoon or evening flight, most hotels have a luggage room where you can store your luggage until you depart for the airport. Please note that some hotels have a shower over the bath.

Internet & Wi-Fi

All river ships offer Wi-Fi in staterooms, suites and public areas.

Remember to take all log-ins and passwords with you to enjoy easy access to your favourite websites. As all ships use a satellite system, routing may cause reception to be restricted at times.

Complimentary Wi-Fi internet is available in many hotel guest rooms. When such a service is not available, complimentary Wi-Fi internet is generally available in public areas of most hotels. Complimentary Wi-Fi internet is also provided on board our coaches, with the exception of Grand City Stays. Wi-Fi internet on the coaches uses a satellite system and as a result, the connection will be slower than standard broadband and at times may not be available.

l

Language

The official language used by APT staff worldwide is English. All staff, crew and local guides speak English throughout Europe and Russia. For your convenience, all guided tours, announcements and lectures will be presented in English.

Laundry

Laundry services are available on board and price lists will be available in your suite. Clothes cannot be dry-cleaned on board. Self-service laundry facilities are also not available. As a general rule, airlines permit passengers in economy class to take one piece of luggage that does not exceed 160cm (63 inches), or weigh more than 30kg (66 pounds). We advise you to contact your airline carrier or travel agent for specific information prior to departure, as size and weight limitations may vary and are subject to change. Please limit your hand luggage to one bag that fits under your aircraft seat or in the overhead compartment.

Physical Fitness

APT cruises and tours are not physically demanding, however because of the nature of many of the sites you will be visiting, some tours will require a good level of fitness and health to participate. Some trips may not be appropriate for guests with certain medical conditions and physical restrictions. Walking tours are often on uneven ground (such as cobblestones) and may include stairs as well as steep inclines. You should be able to stand on your feet for an extended period of time to visit museums, attractions and other sites, as well as when checking in for flights and cruises and at Customs and Immigration.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

Changes or Additions to Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or his or her travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

Cancellation Policy

For all holiday packages in this brochure, the following APT cancellation fees will apply:

Days of Notice	Fee Per Person
100 days or more	Loss of deposit
99-61 days	50% of holiday package price
60 days or less	100% of holiday package price

All cancellations must be received in writing by APT and are not effective until this notification has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect to accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

Cancellation of Ticketed Airfares

An APT cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes to Ticketed Airfares

If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of \$30 per person for the first change and \$85 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If you wish to amend an already issued Singapore Stopover package, a \$30 per person APT change fee will apply along with any applicable airline fees. If, for any reason, a name change to a ticketed Airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasions changes do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT).

Brochure Accuracy

APT has endeavoured to ensure the information given in this brochure about accommodation, itineraries etc., is correct to the best of its knowledge at the time of going to print. However, advertised descriptions, facilities and prices may change after publication. We recommend you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes in the brochure are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in the brochure as a result of local conditions, weather conditions and annual events. APT will endeavour to notify you of any significant changes prior to your departure.

Flight Changes

The flight timings shown in our brochure, on our website and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Force Majeure

Force Majeure means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time.

Termination of Booking Contract

or Change of Travel Arrangements due to Force Majeure

If APT, in its reasonable opinion, considers that any Force Majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure

In the event of a force majeure event making it impossible or unsafe for APT to deliver all or part of the Holiday Package, APT will refund the customer for the unperformed part of the Holiday Package less any reasonable losses incurred before cancellation. Losses may amount to a substantial proportion of the booking price. APT will use reasonable endeavours to minimise losses incurred by customers. Customers must take out travel insurance to protect themselves against loss in the circumstances.

ON HOLIDAY

Noise and Vibration

APT takes reasonable steps to minimise noise and vibrations on its river cruise ships. You acknowledge and accept that some noise and vibration may be experienced on vessels and that APT is not liable to you for any such noise or vibration.

Docking Position

During port stops river cruise ships may dock side by side, obstructing views and requiring you to pass through other ships to embark or disembark.

Sun Deck

During passage through locks or under low bridges or in the case of adverse weather, it may be necessary to close the main sun deck for passenger use. In the interest of safety, sun deck closures are rigidly enforced. While circumstances will vary and are beyond control, closures of the main sun deck may amount to 4-6 days on average per 15 day cruise. The lower sun deck may also close for short periods of time.

Local Purchases

APT is not responsible for any items you may purchase locally i.e. jewellery/furniture etc. You acknowledge that you are solely responsible for any import duty or freight costs.

Personal Belongings & Lost Items

For security reasons valuables should be kept to a minimum and packed in your hand luggage along with your medicines, camera, film, electrical or battery-operated appliances, as well as basic essentials such as a change of clothing and toiletries. It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

Disruption to Cruising & Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, river or weather conditions, strikes or other reasons beyond APT's reasonable control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as detailed in this brochure. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river or canal, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Where disembarkation is necessary, services such as Wi-Fi and complimentary all-day beverages cannot be provided. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Data Protection Policy

Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.aptouring.co.nz/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

GENERAL INFORMATION

Limitation of Liability

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from the tour or cruise. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty express or implied by statute or otherwise in respect of the holiday packages contained in this brochure are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.

Responsible Service of Alcohol

Our staff are trained in the Responsible Service of Alcohol and are obligated by law to refuse service to any guest who, in their reasonable opinion, appears to be or is intoxicated, or behaves in an aggressive or offensive manner.

Medical Assistance

APT does not employ medical staff. If you require medical attention, local medical services can be contacted immediately. You are responsible for the type or quality of the medical services you may require.

APT Club

Details including the full range of benefits and conditions may be viewed on our website at www.aptouring.co.nz/APTClub/MemberBenefits.

Smoking

For other passengers' comfort there is no smoking on coaches or river and ocean cruise ships, except in designated areas.

Service Enquiries

If a problem occurs during your holiday you should, in your own interests, advise your tour/cruise director so that steps can be taken to resolve the matter. If you remain dissatisfied, any complaint must be made in writing to APT within 30 days.

Luggage Limits

Each passenger is entitled to take one piece of luggage that does not exceed 160cm (62 inches) or weigh more than 30kg (66 pounds). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover portage handling of any additional luggage. Your tour director will advise you of the exact additional charge. All luggage is at "owner's risk". Please note that some airlines may restrict checked-in luggage allowance, meaning additional charges may be applied for any excess baggage, so please check with your chosen airline.
