Effortless Travel – The AMADEUS Way

Dear Readers and Travel Enthusiasts,

Another year brings new ships to our fleet as we continue to strive to offer the best experience in cruising along European rivers. The "AMADEUS Star" was christened and entered service with the 2019 season and we are proud to announce the upcoming christening of the "AMADEUS Imperial" in the spring of 2020. Both vessels continue our over 30-year tradition of innovation and excellence with a focus on modern elegance and luxurious comfort. From our glass-protected River Terrace to our in-cabin panorama drop down windows in our Silver class vessels, the indoor pool on the "AMADEUS Queen", the infinity pool on the "AMADEUS Provence", as well as the newly designed wine bar on the "AMADEUS Star", it is all about your onboard experience and ultimate comfort as we introduce you to our European heritage and hospitality.

As a traditionally family-owned Austrian company, we care about the environment as we cruise in "our own backyard" and therefore utilize the latest state-of-the-art systems and on-board technology to maintain and sustain our rivers and environments around us.

As you delve into our new brochure featuring a total of 22 fascinating itineraries and themed cruises along the most beautiful rivers of Europe you will most certainly discover the perfect journey for you. Our itineraries take you from Amsterdam and the Dutch and Belgian Waterways all the way south to the Danube Delta and the Black Sea, past breathtaking sceneries of the riverbanks along the Rhine and Danube. We sail through Burgundy and Provence along the Rhône and Saône rivers in the south and from Paris to Normandy along the fabled Seine river in the north of France.

In addition, we feature our popular theme cruises offering a variety of masterfully curated Golf and Music cruises as well as our winter portfolio including special holiday itineraries and New Year's cruises.

We hope you enjoy exploring our portfolio of river cruises and look forward to welcoming you onboard on one of our vessels in the near future!

Tulip Serenade

AMSTERDAM – GHENT – AMSTERDAM

The castle Gravensteen in the historic core of Ghent

DAY 1 | NETHERLANDS: AMSTERDAM

This afternoon, embark and settle into your cabin. This evening, join us for a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

A traditional shanty choir performance on board makes a perfect beginning to your journey.

DAY 2 | AMSTERDAM

After a restful night on board, set off to see the sights of one of the most unique cities in Europe. Beautiful bridges connect numerous parts of the city, which is divided by hundreds of canals and waterways, and lined with 17th century architecture.

Be sure to stop by the Oude Kerk (Old Church), the oldest building in the city, or perhaps stop by the Anne Frank House; the day is yours! Enjoy a delicious dinner on board, after which the vessel leaves Amsterdam.

DAY 3 | ARNHEM

Breakfast is served as the vessel arrives in the city of Arnhem. Located in the eastern part of the Netherlands, Arnhem is a bustling city with plenty to offer, including a rich heritage including the famous John Frost Bridge – a “bridge too far” during the Battle of Arnhem – the Airborne Museum of Hartenstein and an Open-air Museum which depicts daily life in Arnhem. You can also visit the Burgers’ Zoo, the most-visited zoo in the Netherlands. Back on board, enjoy dinner as we cruise to the capital of Zeeland.

DAY 4 | MIDDELBURG

After a morning spent cruising the waterways, we arrive in the picturesque town of Middelburg. In the Golden Age (17th c), the Dutch East India Company flourished, evidenced by the merchant houses and storefronts that line the canals. For a feat of modern technology, visit the impressive Delta Works. This expansive series of dams was built to protect the area against flooding and high tides. Several original windmills still stand on the outskirts of town, representing another innovative technology of a bygone era.

DAY 5 | BELGIUM: GHENT

Overnight, cross the border into Belgium and reach the city of Ghent, where your vessel will remain anchored for the day. Ghent is the country’s third largest city and one of Belgium’s best kept secrets. Home to the beautiful St. Bavo Cathedral and the famous Ghent Altarpiece, Ghent is also home to numerous other museums. There is something for everyone. Another beautiful city worth visiting is nearby Bruges, a UNESCO World Heritage Site. Visit the Basilica of the Holy Blood with its holy relic – a vial of blood – that is said to be that of Jesus. Or perhaps visit the Groeninge Museum with its collection of artwork that spans several centuries. This evening, join your fellow travelers for dinner.

DAY 6 | ANTWERP

Wake up in this beautiful Belgian port city, one of the largest ports in the world. Famous

for its diamond trade, Antwerp is also home to numerous cultural jewels. Among them, the Cathedral of Our Lady with paintings by the famous Baroque artist Peter Paul Rubens, including the Raising of the Cross and the Assumption of the Virgin Mary, is not to be missed. Spend the afternoon in Antwerp following individual pursuits or venture to the nearby capital city of Brussels, a major center for international politics. This evening, enjoy the Captain’s Gala Dinner.

DAY 7 | NETHERLANDS: ROTTERDAM

On today’s return to the Netherlands, we arrive at another major port city – Rotterdam. This vibrant city has a strong maritime history as well as bold, modern architecture. Nearby, the historic windmills of Kinderdijk are a good example of the rich history of the Netherlands and a contrast to the modern city. This afternoon, venture to the Keukenhof Flower Gardens. This beautiful park features more tulips in flower than anywhere else in the world. Over 7 million bulbs are planted here annually, with visitors from around the world coming to explore the nine-and-a-half-mile network of footpaths, including the largest sculpture park in the Netherlands.

Later this evening, enjoy a scenic cruise through Rotterdam as the vessel sets off for its final port of call – Amsterdam.

DAY 8 | AMSTERDAM

After breakfast, we bid you farewell. We hope to welcome you back again soon!

The magical town of Cochem with the famous Reichsburg and the half-timbered houses

DAY 1 | SWITZERLAND: BASEL

Your journey begins in Basel, the third-largest city in Switzerland. After embarking, you can explore your AMADEUS ship and meet the cruise director on board at a Welcome Cocktail. Your floating hotel departs for Strasbourg shortly before the Welcome Dinner on board.

DAY 2 | FRANCE: STRASBOURG

During the night, your ship left Switzerland and followed the Rhine into the Alsace region in the south of France. During breakfast, arrive in Strasbourg – a city known not only for its romantic old town, but also for the numerous important European institutions housed there. In the morning, explore the city independently, or as part of an organized tour. A detour to the countryside is highly recommended, particularly along the famous wine route, where the quaint wine-growing villages will delight wine-lovers and the general public alike. Late tonight, your ship departs for Germany.

DAY 3 | GERMANY: SPEYER · MANNHEIM

Before breakfast, arrive in the Rhineland-Palatinate town of Speyer, which played an important role in the Holy Roman Empire during the Middle Ages. Your ship remains here until lunchtime, offering time to explore this historic destination. Your trip continues for roughly 25 kilometers toward Mannheim, our next stop along the picturesque Rhine for the remainder of the day. This young city

is best explored with an extended walk, or alternatively you can take a trip to the nearby city of Heidelberg, which boasts a beautiful Baroque old town. Late at night, your ship continues in the direction of Rudesheim.

DAY 4 | RÜDESHEIM · KOBLENZ

Two charming stops await you today. In the morning, arrive in Rudesheim, a town well known for its winemaking, especially Riesling wines. Nearby, Siegfried's Mechanical Music Cabinet with its historic automated musical instruments is a delight. Your AMADEUS ship will depart punctually at lunchtime to cruise the most beautiful section of the river – the legendary Upper Middle Rhine Valley. The view from the Sun Deck of the myth-enshrouded Lorelei Rock is sure to be a highlight of your cruise. Shortly thereafter, we arrive in Koblenz, one of Germany's oldest and most beautiful towns, where you can end the day with a leisurely stroll through the city.

DAY 5 | COCHEM

The vessel departs from Koblenz in the early hours, and makes a detour along the Mosel River to the most romantic part of the valley and the little town of Cochem. The magnificent Reichsburg Castle is situated high above the town, dominating the landscape. Down below, the village, with its narrow streets, half-timbered houses, and numerous restaurants, is an ideal setting to taste the

wines of the region. Back on board, dinner is served as the journey continues to Cologne.

DAY 6 | COLOGNE

The morning is dedicated to the fascinating city of Cologne, which has over a million inhabitants. You can expect a young, vibrant metropolis with a rich cultural history and many world-famous sights, in particular the Cologne Cathedral. A city tour here is a must for everyone with a cultural bent. After lunch, your floating hotel departs from Cologne. The afternoon is spent on board and in the evening, the captain invites you to a festive Gala Dinner, full of wonderful regional dishes.

DAY 7 | NETHERLANDS: HOORN · AMSTERDAM

By lunchtime you will have crossed yet another country border to arrive in the Dutch town of Hoorn. This picturesque village is the starting point for the optional overland trip to the north of Holland and Amsterdam. Those remaining on board will discover the beauty of the Dutch waterways as the ship glides toward the capital city of the Netherlands, where it will remain docked for the evening.

DAY 8 | AMSTERDAM

After breakfast, we bid you farewell. We hope to welcome you back again soon!

Once back on board, experience a Bavarian evening with lively traditional music and a dinner of local specialties.

DAY 3 | PASSAU | AUSTRIA: LINZ

The vessel returns this morning for a short stop at the three-rivers city of Passau, lying at the confluence of the Danube, the Inn and the Ilz. Explore the city on your own or take an optional walking excursion. At St. Stephen's Cathedral, see an organ with 17,774 pipes and 233 registers, the second largest in the world. Passau is also the starting point for the full day optional excursion to Salzburg – rejoining in Linz. For those remaining on board, relax on the Sun Deck and take in the scenery as the vessel moves toward its late afternoon visit to Linz – the third largest city in Austria. The main street and square boast unique churches, concert venues, and plenty of artists who come to the city to thrive. Time permitting, sample the famous Linzer Torte before returning to the vessel.

DAY 4 | EMMERSDORF · WEISSENKIRCHEN · VIENNA

This morning presents an opportunity to visit the famous Benedictine Abbey of Melk which overlooks the Danube, or continue with the vessel to the town of Weissenkirchen. Here, sample some of the region's famous Riesling wines or enjoy a leisurely stroll through the cobbled streets.

Follow the footsteps of Van Gogh, Cezanne and Gauguin while winding along the Seine River into the beautiful Normandy region to Le Havre on the rugged Atlantic Coast. Normandy was the stage of one of the most pivotal military operations in history: D-Day during World War II. Idyllic Normandy villages, the "museum town" of Rouen and the picturesque harbor town of Honfleur are among the wonders to be explored during this cruise.

Paris, Normandy and the River Seine

PARIS – LE HAVRE – PARIS

The lovely old harbor of Honfleur with its picturesque houses

DAY 1 | FRANCE: PARIS

This afternoon, embark and get settled in your cabin. This evening, enjoy a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

DAY 2 | CONFLANS

Arrive in Conflans, at the confluence of the Oise and the Seine. Visit the little town of Auvers-sur-Oise, an inspiration to many of the famous Impressionist masters, including Cezanne, Pissarro and Daubigny. The most famous of these artists is Vincent van Gogh, whose final resting place is located here. Visit Auberge Ravoux, where Van Gogh painted close to 80 canvases which are a vivid reflection of life in the village. In the afternoon, take a walk on your own to discover Conflans. Regarded as the French capital of shipping, this town is home to a 17th century castle which stands within the municipal park and houses the Museum of Shipping. Take in the breathtaking view from the Park of the Priory over the Seine and the castle of Prieuré.

DAY 3 | ROUEN

This morning we reach Rouen, often called the “Ville Musée” (Museum Town). If you enjoy museums, visit one of the many art, history, and antiquities museums scattered across the city. Visit the cathedral that inspired Claude Monet, and the modern Church of Joan of Arc, with its magnificent 16th-century stained-glass windows. See the “Gros Horloge”, the astronomical clock and the Parliament of Normandy. Finally, visit the “Place du Vieux Marché”, the site where Joan of Arc was burnt at the stake. This afternoon, venture down the romantic

“Abbey Trail” for a view of countless churches, castles, and abbeys.

DAY 4 | LE HAVRE

Although the harbor of Le Havre was largely destroyed in World War II, it was rebuilt and continues to be an important port city in Normandy. Explore the Normandy coastline with a walk along Étretat’s cliff-top paths for a view of steep chalk rocks with impressive needle-like formations, which have inspired many well-known artists. Nearby is the city of Honfleur, where the Seine meets the Atlantic. This harbor town is regarded as a jewel on the Côte Fleurie and is a wonderful place to spend an afternoon.

DAY 5 | LE HAVRE · CAUDEBEC-EN-CAUX

Today, visit some of the most important places in recent history – the Normandy landing beaches and the remains of the artificial harbor in Arromanches.

Not far from the solemn significance of the landing beaches are charming villages that champion many of the things the French hold dear: good wholesome food and drink, a strong local community and beautiful handcrafted things that last.

Throughout Normandy, artisan-cheesemakers, metalworkers, potters, lacemakers, bell forgers, and cidermakers still run thriving trades. After all, Camembert, Livarot, and Pont l’Évêque cheeses all come from Normandy, as do “caramels au beurre d’Isigny” made with creamy Norman salted butter.

Enjoy the smooth, layered flavor of Calvados, an amber-hued brandy distilled from cider and renowned for its sweet aroma.

Your Norman journey ends in Caudebec where you board the ship.

DAY 6 | LES ANDELYS · VERNON

Today, your vessel anchors in the little town of Les Andelys in the shadow of Chateau Gaillard, the erstwhile home of Richard Lionheart. Relax in town or venture farther afield to nearby Giverny, home to Impressionist Claude Monet until his death in 1926. The beautiful surroundings and vivid flora were the inspiration for some of his most famous works. The Captain’s Gala Dinner is a wonderful finish to a fantastic day.

DAY 7 | PARIS

In the early morning, we say “bienvenue” to the French capital once more. Explore the sights of the Cathedral of Notre Dame, the Eiffel Tower, and the bustling Champs Élysées. Another interesting area to explore is the quirky artists’ district of Montmartre. Numerous monuments and remarkable sites have contributed to the worldwide reputation of this district, which was an independent village before being absorbed by the growth of Paris in 1860. Climb to the Sacré-Coeur Basilica, 130 metres above sea level, and discover the panoramic view. Alternatively, round out your experience with a visit to the spectacular Palace of Versailles. Originally a small hunting lodge, the palace was extended to its current size by the “Sun King” Louis XIV and is now one of Europe’s largest palaces.

DAY 8 | PARIS

After breakfast, your AMADEUS crew bids you “adieu” and we hope to see you again soon!

Treasures of Burgundy and Provence

LYON – CHALON-SUR-SAÔNE – ARLES – LYON

Lavender, the "blue gold" of Provence

RHÔNE · SAÔNE

DAY 1 | FRANCE: LYON

This afternoon, embark and get settled in your cabin. This evening, enjoy a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

DAY 2 | MÂCON

This morning the vessel arrives in the town of Mâcon, located in southern Burgundy. This wine region produces some of the most expensive wines in the world. Enjoy the trip through peaceful vineyards and be enchanted by the Mediterranean charm of this region. The excursion also takes you to "Hameau Duboeuf", Europe's premier wine park, dedicated to the history and production of Burgundy wines. At lunch, return to your vessel. Near the city of Mâcon is the Cluny Abbey, dedicated to St. Peter. This afternoon offers the opportunity to visit the spiritual heart of medieval Europe. Founded in 910, the abbey is comprised of three churches and was home to over 10,000 monks at its height. A sumptuous dinner is served on board.

DAY 3 | CHALON-SUR-SAÔNE · TOURNUS

Our exploration of the Burgundy wine region continues with a stop in the town of Chalon-sur-Saône. Half-timbered houses overlook the square teeming with art galleries, speciality shops, as well as a museum dedicated to photography. The countryside is filled with

famous vineyards such as Pommard and Puligny, a wine lover's delight. This afternoon, enjoy the scenery as the vessel continues on its way along the Saône, or perhaps choose to explore the medieval towns of Brancion and Cormatin and rejoin the vessel in Tournus late this afternoon.

DAY 4 | LYON

At the confluence of the Rhône and the Saône Rivers lies the third-largest city in France. This UNESCO World Heritage city is known for its cuisine as well as historical and architectural landmarks such as the Basilica of Notre-Dame de Fourvière and the Vieux Lyon (Old Lyon) which is the Renaissance area along the bank of the Saône. After an exciting morning ashore, relax as the vessel sails past the picturesque countryside and heads south.

DAY 5 | AVIGNON

Spend the day in the Provencal city of Avignon. The city is home to the Papal Palace, once the seat of western Christianity in the 14th century. The palace was home to six papal conclaves, but became obsolete when the papacy decided to return to Rome. The area of Provence is also home to the Pont du Gard, a three-level aqueduct constructed over 2000 years ago by the Romans, which is one of the architectural masterpieces of the ancient world. Your vessel remains in Avignon this evening.

DAY 6 | AVIGNON · ARLES

Arles captured the imagination of the brilliant Impressionist painter, Van Gogh. Walking through the town, many of the settings may seem familiar as some of Van Gogh's best known pieces reflect the beauty of the town. The Camargue Nature Park is located outside Arles. The park covers 86,000 hectares and is known for its unique flora and fauna, as well as semi-wild bulls and white Camargue horses. Enjoy dinner on board with your fellow travelers.

DAY 7 | CHÂTEAUNEUF-DU-RHÔNE · LE POUZIN

Spend the day relaxing on board, or disembark for the optional excursion to the Ardèche Gorge, another natural wonder of the area. Visit the "Grand Canyon of Europe" and rejoin the vessel in time for lunch in the charming small town of Le Pouzin, wedged between the limestone plateaus of the Grads and the riverfront. The *AMADEUS Provence* plies the beautiful waterways of Provence as it winds its way back to Lyon. This evening, the Captain invites you to his Gala Dinner.

DAY 8 | LYON

The crew of the *AMADEUS Provence* bids you farewell after breakfast. We hope to welcome you again soon!

General Terms and Conditions of Travel 2020

PREAMBLE: These travel conditions are issued in the name of the tour operator, Dr. W. Lüftner Reisen GmbH / A- 6020 Innsbruck, for the travel programs included in this brochure. Dr. W. Lüftner Reisen GmbH also does business under the trade name Lüftner Cruises. In the following, these are referred to as "the tour operator." These terms and conditions of travel apply to programs listed under either name. The transportation of passengers and baggage on any of the vessels offered is governed solely by the Terms and Conditions of the Passenger Ticket Contract (available on request).

PAYMENT POLICY: A deposit of 10% per person is required to secure a confirmed reservation. When more than one cruise is booked, deposit and payment policies apply per cruise. The balance is due for payment no later than 20 days prior to departure, despite no further request for payment being made.

All reservations are subject to cancellation if payments are not received by the due date, and in such a case the tour operator is entitled to cancel the reservation/s in accordance with the cancellation fees specified in these terms and conditions. Upon full payment by the participant(s) of the amount specified in the invoice, the tour operator agrees to arrange for the provision of the services as described in this brochure. Your payment or acceptance of a ticket constitutes your agreement to the terms and conditions of travel.

CANCELLATION POLICY: In cases of cancellation the tour operator has the right to demand the following cancellation fees, calculated as a percentage of the travel price and dependent on the number of days left until the planned departure date:

DAYS BEFORE DEPARTURE:

121 days and more	10%
120 – 90 days	15%
89 – 60 days	35%
59 – 30 days	50%
29 – 15 days	80%
14 – 1 day(s)	85%
on departure day	90%

Cancellations must be made in writing. Cancellation invoices are due for payment as soon as they are received.

WITHDRAWAL AND TERMINATION BY THE TOUR OPERATOR:

The tour operator may withdraw from the travel contract before the journey starts or terminate it after the journey has begun in the following cases, without the tour operator being liable for any claims, particularly not for damages:

- a) without notice, if the person traveling – in defiance of any warning – persistently disrupts the execution of the travel or if his/her behavior is not in accordance with the contract to such an extent that immediate revocation of the contract is justified. When terminating, the tour operator reserves its claim on the travel price, but this will be set off against the value of the expenditure saved and whatever advantages it obtains from any alternative use of the services or facilities that are not taken up, including whatever amounts are credited to it by its service providers.
- b) if, by two (2) weeks prior to the start of the journey, the advertised minimum number of participants has not been reached, which is 80 passengers per cruise or whatever other minimum number of participants has been indicated in the advertising for the service concerned. In all such cases the tour operator is obliged to inform the traveler immediately of the occurrence of the contingency causing the journey not to be executed and immediately to forward to him/her its withdrawal statement. This is also relevant should it become apparent at an earlier stage that the minimum number of passengers will not be reached. The travel price paid will be reimbursed promptly.
- c) if, by four (4) weeks prior to the start of the journey – with the tour operator having exhausted all other opportunities – it would be unreasonable for the tour operator to execute the journey because the costs arising, if it were to be executed, would mean the tour

operator exceeds the bounds of economic sacrifice in relation to that journey; that is, unless the tour operator itself is answerable for the main reasons leading to the situation concerned. The travel price paid will be reimbursed promptly.

GUARANTEE, REDRESS AND DUTIES TO CO-OPERATE:

If travel services are not provided as contracted then the traveler may demand redress. Irrespective of the tour operator's overriding duty to provide service, the traveler has a duty to co-operate in that he/she must do whatever he/she can reasonably do to contribute to remedying the disruption and to keep any losses that may arise as low as possible or to avoid them completely. He/she has a particular duty to advise the tour operator's representative on board (specifically the hotel manager, tour guide) immediately of any possible complaints. However, these persons are not authorized to deal with any claims.

SERVICE AND PRICE CHANGES:

- a) Changes and deviations of individual travel services from the agreed tour contract (for example, timetable changes, changes to scheduled sequences, or to hotel reservations) that become necessary after conclusion of the contract, and where there is no evidence of bad faith on the part of the tour operator, are permissible, provided they are not significant changes and do not alter the overall tour program. Travelers will be notified of any such tour changes or deviations immediately.
- b) The tour operator reserves the right to alter the prices mentioned in the case of transportation price increases (particularly due to rises in fuel costs), docking fees, or due to fluctuating exchange rates, or to any other rises in prices/costs that were not known at the time of the completion of the booking contract.

ACTS OF GOD, STRIKES, OR OTHER CONDITIONS

BEYOND CONTROL:

- a) **Before the journey starts:** If execution of the journey is made more difficult, jeopardized or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and out of the control of the tour operator, then both the tour operator and the traveler may withdraw from the contract prior to the start of the journey. Such circumstances include war, strikes, civil unrest, epidemics, and government directives (such as requisition of accommodation or of means of transportation), embargoes, natural disasters, accidents, and damage to the vessel (especially to the hull and engines, etc.) or other occurrences that are equivalent to the examples mentioned above in their effect (force majeure). The travel price paid will be reimbursed promptly. The tour operator will not be liable for claims, particularly not claims for damages.
- b) **After the journey has begun:** If the circumstances specified above come about after the journey has begun and the journey is ultimately delayed, then the tour operator is authorized to reconstruct the remaining journey such that other routes or means of transport are organized, for example, by avoiding a harbor, or by traveling overland, so that the journey can be ended at approximately the original time specified. In such a case, the tour price will not be reduced and the tour operator will not be liable for claims, particularly not claims for damages.
- c) **Termination of a journey:** Should a cruise have to be terminated due to any of the abovementioned circumstances, the tour operator is authorized to transport travelers and their baggage by alternate means of transport (such as by train, bus or plane) to the agreed starting or end point of the tour, or to an appropriate intermediate point with suitable means of transport. The tour operator is not responsible for any claims, particularly not claims for damages.
- d) **Ship in distress:** Should another vessel be in need of the cruise ship's assistance during a journey, then the tour operator is not liable for any delays caused by the assistance rendered or by any rescue operation. The decisions regarding such possible assistance rest solely with the ship's captain. The tour operator will not be liable for claims, particularly not claims for damages.

e) Changes in the water level: Unusually low or high river water levels may cause changes to the itinerary, possible re-embarkation onto another vessel or transfer(s) by coach or rail, or may even lead to a shortening of the journey. The tour operator and the ship's captain sometimes have to take such decisions quickly. Such measures do not justify withdrawal from the contract by the person traveling and the tour operator is not responsible for any claims, particularly not claims for damages.

UNUSED SERVICES: Should a passenger not make use of individual services included in the tour price paid due to a premature return journey, or for any other compelling reason, there will be no pro rata refund of the tour price. The tour operator will, however, endeavor to reimburse expenses saved, excluding those for any very insignificant services.

PASSPORTS, VISAS, CUSTOMS, CURRENCIES AND HEALTH

REGULATIONS: The traveler is solely responsible for compliance with all matters regarding travel-related regulations and prerequisites. Any interruptions resulting from noncompliance with such regulations will be at the expense of the traveler, unless caused by intentional misinformation by the tour operator.

INSURANCE BOND: Dr. W. Lüftner Reisen GmbH is listed in the tour operator register of the Austrian Ministry for Economics, Family and Youth under number 2004/0052. In accordance with the Austrian Travel Agency Decree for Tour Operators (RSV), customer money is secured by a bank guarantee. Further information regarding this protection such as the terms and assertion of rights, the time limit for lodging complaints, claim exclusions, etc., can be obtained from the travel agency handling the traveler's reservations.

TRAVEL INSURANCE: For personal security and peace of mind, travelers are advised to take out a travel insurance policy in good time, covering, in particular, possible costs of cancellation, as well as damage to and/or loss of baggage, possible medical treatment, repatriation costs, etc.

NAME CHANGES: Should there be a change of name for a traveler for a reservation already made, the tour operator has the right to charge € 30 - for such a change.

CHILDREN/MINORS: Due to the specific nature of the cruise itineraries, there are special conditions for the booking of children and minors:

- For children under the age of 8, special permission by the tour operator is required.
- Up to the age of 16, minors must be accompanied by and share a cabin with a parent, legal guardian, or other responsible adult over the age of 21.
- Information about child discounts, particularly for the special conditions of the cabins with connecting doors, can be found in our travel descriptions.

PASSENGERS WITH SPECIAL NEEDS: All means of transport used for our tour programs comply with European standards. Most vessels are equipped with lifts, enabling easy access from one deck to another (with the exception of the Sun Deck). However, moving from the ship to land can pose obstacles that require solutions without the use of a wheelchair. Some of the ports, land tours and transfer buses, etc., are not always suitably equipped. Therefore, before completing a reservation, people with special needs must make the necessary enquiries and must receive consent from the tour operator to join the tour. For security reasons, the transport of wheelchairs may be prohibited by the ship's command. The tour operator will not be liable for claims, particularly not for damages, arising from such non-admission.

LIABILITY/LIMITATION OF LIABILITY/DISCLAIMERS:

a) The tour operator is liable for the services involved in transportation from the advertised starting point to the advertised destination, for transportation during the trip, and for accommodation during the trip.

- b)** The tour operator is not liable for any service disruptions, damages to persons and/or baggage by third-party services which were procured accordingly and disclosed as such.
- c)** The tour operator expressly refers to possible liability limitations and exemptions relevant under the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vehicles (CLNI), including protocols and amendments, together with the further provisions of the International Convention of Limitation of Liability for Maritime Claims, 1976, likewise including amendments and addenda, if and as applicable, as well as all further state laws applicable in this respect.

The above translation is provided solely as a courtesy and convenience but in all cases, the meaning and intent of the original General Terms & Conditions in German shall prevail at all times. Important Information

AIR CONDITIONING: Please note that the air conditioning in your cabin is only guaranteed to be effective if you keep the doors and windows closed. The air conditioning can be regulated individually in each cabin.

ANNOUNCEMENTS: A public address system enables our Cruise Directors to provide you with important information about places we are passing, our programs on board and our excursions ashore. You can hear these announcements on the Sun Deck, in your cabin, and in all the public areas of the vessel.

CHANGING MONEY: The vessel does not have a money exchange. However, a Bureau de Change can generally be found close to the docking locations.

CLOTHING: In the daytime and during shore excursions, we recommend wearing casual clothing and comfortable footwear. A jacket or pullover may be required during the evening. For dinner and for special occasions we recommend dressing smartly.

CRUISE DIRECTOR'S TEAM: The Cruise Director's team will look after you throughout the cruise and will always be happy to give you any additional information you require.

CRUISE ITINERARIES: Although every effort is made to keep itineraries as advertised, we reserve the right to make changes and substitutions, as necessary, to ensure the safety of our guests and our vessels. Changes may be made at short notice due to force majeure, high or low river levels, maintenance work or waiting times at locks and bridges owing to traffic congestion. Announcements will be made on board to keep you informed of any important changes.

DAILY SCHEDULE: A Daily Program is produced every day and placed in your cabin on the previous evening. It contains important information such as meal times, departure times for excursions and other events, and shows the timetable for all services provided by the crew.

DECKCHAIRS: There are plenty of deckchairs on the Sun Deck which are available free of charge.

DINING TIMES: The ship's onboard restaurant provides a relaxed environment and accommodates all guests in one sitting. The dining schedule will be listed in the Daily Program. The Maître D' will assist with seating.

DRINKING WATER: The ship has been outfitted with a sophisticated filtration system, and the tap water in each stateroom is safe for drinking. In addition, bottled water is available for purchase.

ELECTRIC CURRENT: The voltage on board ship is 230V, European standard. To use any electrical product that is not dual voltage (e.g. from the US, Canada, Australia or the UK), you will need a plug adaptor and some devices will require a voltage converter. Many electronic devices have built-in voltage converters, however, please check the manufacturer's specifications for details. A two-pole adaptor is also available at reception.

ELEVATOR: All AMADEUS vessels in this brochure are equipped with an elevator that services all decks except the Sun Deck.

EMBARKATION/DISEMBARKATION: Local river authorities allocate docking space around ship arrivals and departures in port. Typically, river ships dock facing upstream. Occasionally port conditions require ships to tie up alongside each

other, in which case guests may be required to walk through another ship to access their own ship. This is part of the river cruise experience and is perfectly normal and beyond the control of the ship company. Guests may experience obstructed views from staterooms when the ship is docked.

ENTERTAINMENT PROGRAM: The schedule for the onboard entertainment may be found in the Daily Program.

EXCURSION PROGRAM: A minimum of 20 guests is required for excursions by coach and 25 guests for walking tours. A detailed description of the shore excursions will be included with your travel documents. The Cruise Director's team will be happy to provide additional information on board. The team will also keep you informed about timings of excursions and give additional advice for independent exploration.

FAMILY RATE: With 30% reduction for children: The *AMADEUS Imperial*, the *AMADEUS Star*, the *AMADEUS Queen*, the *AMADEUS Provence* and the *AMADEUS Silver III* have a limited number of C-1 cabins with connecting doors, which can be booked on request for 2 adults with 1 or 2 children. The two adults pay the regular cruise price, the accompanying child or a maximum of 2 accompanying children receive a 30% discount in the adjacent cabin.

FITNESS: A fitness room is open 24 hours a day on every AMADEUS vessel.

GIFT SHOP: This shop offers exclusive AMADEUS branded items, as well as souvenirs, postcards, stamps, accessories and some everyday essentials.

GRATUITIES: Gratuities are appreciated for a job well done and a common way for guests to express their satisfaction with the cruise staff. Should you wish to tip in cash, you may place your gratuity in the tip box at the reception, at the end of your cruise. You may also add your gratuity to your onboard account to be settled with the rest of your charges.

HAIRDRESSER: For your convenience a hair salon is found on all AMADEUS vessels. If you require the hairdresser's services, please make an appointment on board.

INSURANCE: While travel insurance is not required in order to participate in this program, Lütfnr Cruises strongly recommends that each guest purchase a travel protection plan, as unforeseen circumstances can occur both prior to and during travel.

INTERNET/WIFI: Wireless Internet access is available for a fee on all AMADEUS ships and is provided in all public areas of the ship. We ask for your understanding that the connection during your trip may be weaker on certain sections of the route and the speed will likely be slower than what you are used to back home. In addition, downtimes may occur due to steep river banks, locks and or bridges – circumstances beyond our control.

LAUNDRY SERVICE: A laundry service is available on board for a nominal fee. Please note that neither self-service laundry facilities nor dry cleaning services are available.

LIBRARY: There is a selection of light reading material available for your use on board. Whenever possible, daily newspapers are also made available. At the end of the cruise we ask you kindly to return any books or magazines you have borrowed.

MEDICATION: If you require any special medication, please ensure that you have an adequate supply before joining the cruise. The onboard pharmacy is equipped for emergencies; there is a fee to cover costs for medication. Please let us know if you require any special medical attention.

ONBOARD ACCOUNT: The ship operates on a "cashless" system and all onboard charges are billed directly to each guest's onboard account. Your account will include your personal expenditures in the bar, restaurant, onboard shop, etc. At the end of the cruise, you will be presented with a bill for settlement prior to disembarkation.

ONBOARD CURRENCY AND PAYMENT: The currency on board is the EURO; however, the following currencies are accepted to settle your on board account: Swiss franc (CHF), British pound (GBP) US dollar (USD) and Norwegian krone (NOK). You can pay by cash, bank card with Maestro symbol and credit card (Visa, MasterCard, Diners Club and American Express).

PETS: Pets are not permitted on board.

POSTAL SERVICE: Letters and postcards can be mailed through the Reception desk. Mail will be sent from the next port of call.

SAFE: Each stateroom is equipped with a safe. You may leave your valuables in your cabin safe or deposit them at Reception to be held in the vessel's safe. Lütfnr Cruises is not responsible for any items left in the stateroom.

SERVICES NOT INCLUDED: Shore excursions, gratuities, travel insurance and other personal expenditures.

SMOKING: For safety reasons, smoking is not permitted anywhere inside any AMADEUS vessel. We ask our passengers who smoke to be considerate to those who do not. Smoking is only permitted on the Sun Deck and on the River Terrace.

SPECIAL DIETARY NEEDS: There is always a vegetarian option for all meals on board AMADEUS ships. If you have special dietary requirements or suffer from food allergies, please inform your travel agent or tour operator at least 60 days prior to departure. On request, our chefs will certainly provide special dishes suitable for people with conditions such as lactose or gluten intolerance. We will do our best to ensure that your request is accommodated, but cannot guarantee that all dietary needs and preferences can be met. Some requests may incur a small service charge.

TRAVEL DOCUMENTS: Before joining your cruise, please check with your travel agent or the relevant embassy regarding the current entry requirements for the countries in question. In order to ensure smooth passage between customs areas, passports are handed to Reception on embarkation, where they are kept in safe custody.

TV CHANNELS: TV is received by satellite. When in locks and on certain stretches of the river, there may be slight interference/interruptions to the service.

Please note: Cruise programs, excursions, tour dates and prices are subject to change. (July 2019) Please ask for the General Travel Conditions of Lütfnr Cruises or visit our website at www.lueftner-cruises.com
