EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

The Indian Ocean has countless amazing things to see and do. Here are five of our favourites to inspire your wanderlust.

SURFING

The vast warm waters of the Indian Ocean are home to some of the most incredible surfing spots in the world. From surf schools to seaplane surfing safaris, the Maldives caters to all types of surfers. Some of the most gnarly surf breaks are Chickens and Cokes in the Malé Atoll, while Yin Yang in the Laamu Atoll is world renowned. Sri Lanka's south west coast is the place to catch a wave, with Mirissa and Unawatuna offering some epic tubes. Surf's up year round in the Indian Ocean but the biggest swells arrive between April and October.

Maldives

BEAUTIFUL BEACHES

There is no shortage of Indian Ocean beaches on which to soak up the sunshine. Stroll along the pristine beaches of the Maldives or just sit under a swaying palm tree and feel the sand between your toes. Visit one of the best beaches in the Seychelles, stunning Anse Lazio on Praslin Island. The incredible mix of turquoise water, white sand and granite boulder formations make it perfect for sunbathing and swimming. Sri Lanka's sun-kissed coastline is ideal for a beach holiday. Be sure to visit Bentota for calm waters, golden sands and watersports.

Anantara Veli Maldives Resort

Golden Temple of Dambulla, Sri Lanka

CULTURAL SITES

Sri Lanka has a rich culture with no less than six UNESCO World Heritage Sites in the country. Visit the sacred city of Kandy to see the golden-roofed Temple of the Sacred Tooth, housing Sri Lanka's most important Buddhist relic. Marvel at the golden temple of Dambulla and the enigmatic rocky outcrop of Sigiriya, perhaps the single most dramatic sight in the country. Include Galle on your itinerary to see Galle Fort, the fortified old city with its car-free streets and stone sea walls. In Polonnaruwa you can visit tombs, temples and stupas over 800 years old.

Polonnaruwa, Sri Lanka

Take in the stunning ocean vistas from the shaded comfort of a private cabana in the Maldives

WILDLIFE ENCOUNTERS

Discover the wild side of Sri Lanka in one of the country's national parks. Yala National Park is a vast expanse of grasslands and forest where you can find elephants, sloth bears and 215 species of birds. The park is also famous for being home to the majestic leopard and the best way to see them up close is on a wildlife safari. Minneriya National Park is where you'll see the country's iconic elephants. Visit between May and October to witness the famous Elephant Gathering, where elephants from small herds gather to feed on the lush grass.

Minneriya National Park

SNORKELLING & DIVING

Grab your snorkel and fins and discover what lies beneath! You'll find great snorkelling and diving sites in each atoll of the Maldives. Snorkel straight from your resort's beach to see colourful coral, or venture further afield in search of big fish. Blue Bay Marine Park in Mauritius is home to lively marine life and colourful coral. With clear water and a depth of six metres it is a great place for beginners. In Seychelles, Sainte Anne Marine National Park is well known for snorkelling. Find plenty of colourful fish as well as Green and Hawksbill turtles.

CORAL REEFS

With unique coral reefs, a great diversity of marine life and deep blue water, it's easy to see why the Maldives is regarded as one of the best snorkelling and diving locations in the world. Swim alongside colourful reef fish and keep an eye out for turtles and Manta rays. Stay at a resort with a house reef and snorkel straight from the beach.

OVERWATER VILLAS

Imagine falling asleep to the sound of water lapping against the stilts of your villa. Or diving into the turquoise lagoon straight from the deck of your room. For a truly indulgent experience choose to stay in an overwater villa and wake up each day to ocean views right on your doorstep. Overwater villas are available at most resorts in the Maldives.

UNIQUE EXPERIENCES

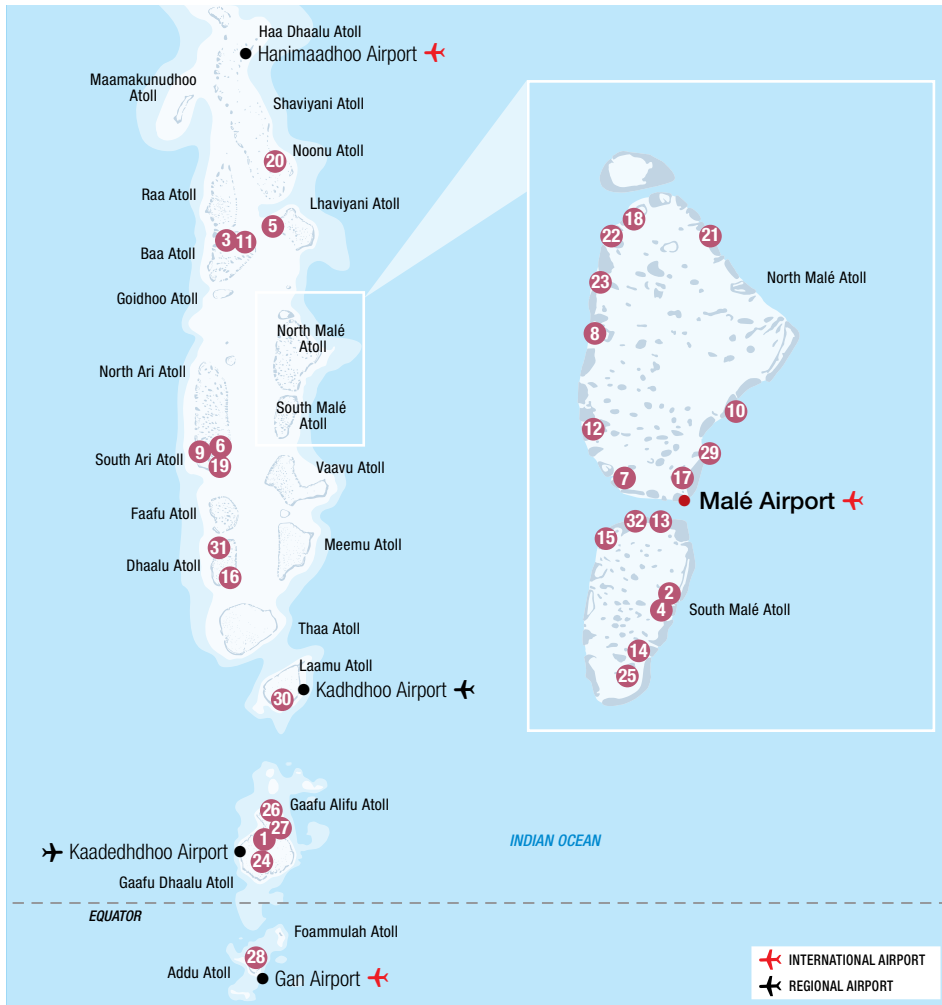

The Maldives serves up an array of unique experiences. Enjoy an intimate dinner under a glass arch of swimming sea life, in an all-glass underwater restaurant. Take off in a seaplane to find the best coral reef surf breaks. Discover the Maldivian marine life on a ride in a semi-submarine or rent your own private island – even if it's just for an hour. The opportunities are endless!

WATERSPORTS

With water as far as the eye can see there's no wonder watersports are one of the number one things to do in the Maldives. The calm lagoon waters are perfect for kayaking or stand-up paddle boarding. Set in the middle of lush green vegetation, seven distinct coloured sands swirl together across an undulating sand dune creating a unique sight. Head to the observation deck and try to spot all the colours – red, brown, violet, green, blue, purple and yellow. To see the most vivid colours, visit at sunrise.

SUGAR & TEA

Take your tastebuds on a culinary journey and discover the flavours of Mauritius. Throughout the country, there are vast fields of sugarcane which are used to create sweet sugars, jams and honey. Visit L'Aventure du Sucre to learn about the deeply intertwined history of sugar and Mauritius. At the end of the tour, sample the local sweets. Travel along the tea route and call in to the Bois Cheri Tea Plantation for a cup of their black tea.

Visit the botanical gardens and take in the architecture of the colonial buildings and Hindu temples. Be sure to stop in at Victoria Market to pick up some local handicrafts. Hit the walking trails of Morne Seychellois National Park and try to spot the rare endemic plants.

LA DIGUE

With its brilliant white sands, large granite boulders and swaying coconut trees, it's undeniably striking. There are very few cars on the island, so hire a bicycle and start exploring.

PRASLIN

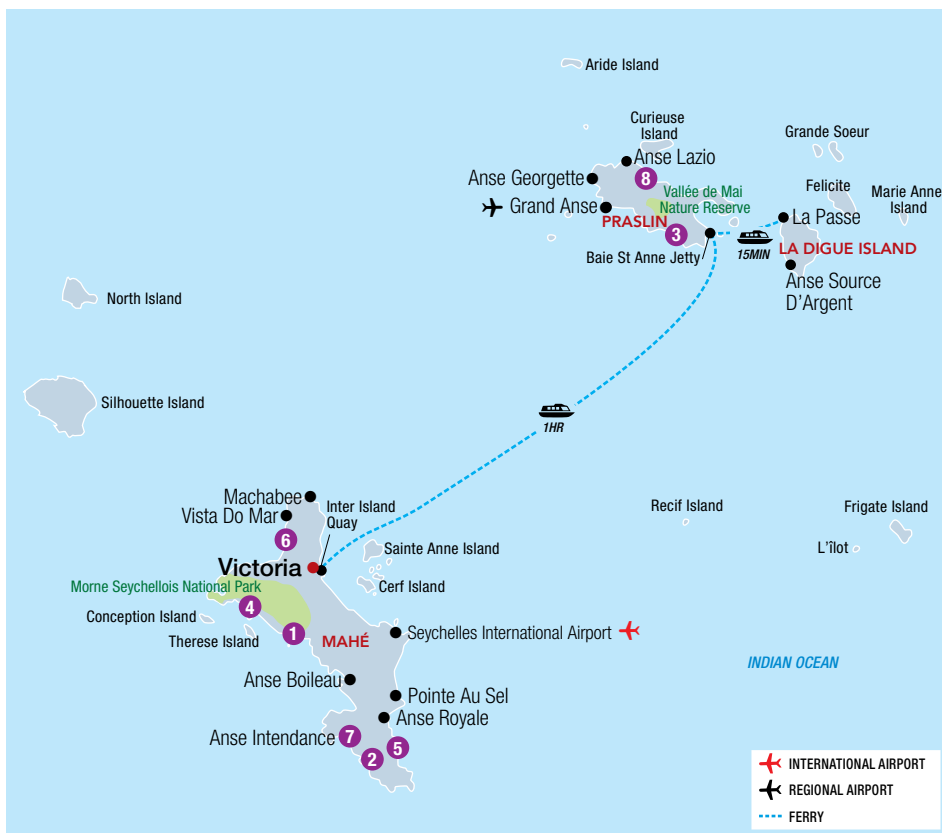

Praslin Island is home to some of the best beaches in the world. Two that beg to be visited are Anse Lazio and Anse Georgette, both featuring stunning white sand and calm azure waters. Visit the World Heritage Listed Vallée de Mai Nature Reserve to see the diverse range of flora and bird life including the endangered Black parrot and the world's heaviest nut, the Coco de Mer.

1. Our Services and Obligations

- 1.1 The services within this brochure are supplied by the wholesaler GO Holidays, a division of helloworld Travel Ltd. They consist of arranging and co-ordinating travel, entertainment and accommodation facilities and services, and making bookings, issuing tickets and issuing vouchers to be redeemed by suppliers.
- 1.2 We undertake to perform these services with reasonable care and skill. We will not be liable for any loss or damage, or loss of enjoyment which result from the act, default or omission of any person other than ourselves or employees, or any cause beyond our control. This includes (but is not limited to) loss, damage or loss of enjoyment which arises directly or indirectly from an Act of God, weather disruptions, dangers incidental to sea, fire, breakdown in machinery or equipment, acts of Government or authorities whether legitimate or not, wars whether declared or not, hostilities, acts of terrorism, civil disturbances, strikes, lockouts, riots, deaths, pilferage, epidemics, quarantines or medical, customs or immigration or emigration regulations.
- 1.3 We are not able to exercise control over services we do not supply directly, therefore we will not be responsible for any loss or damage arising from:
- Any booking made directly with a service supplier by your travel agent or by yourself direct; or
 - Any services which are not provided by us and which are additional to those described in this brochure.
- 1.4 We will endeavour to provide the most suitable travel arrangements to meet the particular requirements you make known to us. However, travel is an individual experience, and your preferences and opinions may vary from our own. For this reason, we cannot take responsibility for your individual satisfaction, neither can we take responsibility for weather nor for compatibility of fellow guests or staff during the course of your travel.

2. Supply of Travel, Entertainment, Accommodation Service and Facilities

- 2.1 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.
- 2.2 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:
- GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
 - The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.
 - Where for any reason, a Supplier is unable to provide particular facilities or services, then that Supplier may be entitled, under its contract with you to substitute those services or facilities with comparable or equivalent facilities or services without incurring any liability to you. You should check your contract with each Supplier.
 - All facilities or services described by us are subject to availability from the Supplier.
 - GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

4. Information in the Brochure

- 4.1 This brochure was published on 16 October 2019 and is valid for services used 1 November 2019 to 31 October 2020 unless otherwise advised. Exchange rates used when costing this brochure are as at 24 September 2019.

- 4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.
- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.
- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.
- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.
- ## 5. Prices
- 5.1 All prices shown in this brochure are expressed in New Zealand dollars.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
- 5.4 All prices exclude travel agent service fees.
- ## 6. Payment
- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.
- ## 7. Amendment or Cancellation
- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
