Bali, Lombok, Gili Islands & Nusa Lembongan have a tropical climate and are warm and humid all year round. May to September is the dry season with slightly cooler temperatures. October to April is the green season and is warmer and more humid.

Bali's peak surf is during the dry season when the west coast provides the best waves, while the green season brings great waves to the east coast.

## VISAS & PASSPORTS

A valid passport is required with at least six months validity beyond the intended stay. A visa is not required for stays of up to 30 days. Travel advice is available from the New Zealand Government Ministry of Foreign Affairs and Trade at [safetravel.govt.nz](http://safetravel.govt.nz).

When visiting any religious site, ensure you dress conservatively and avoid wearing short skirts, shorts above the knee, singlets or sleeveless blouses. A sarong and sash are usually available for hire at most sites. Remember to remove your shoes before entering a temple. Balinese culture is unique, so take some time to learn about the varying customs and requirements.

## SHOPPING

# EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

Bali has countless amazing things to see and do. Here are 10 of our favourites to inspire your wanderlust.

## LOCAL BALINESE SPECIALITIES

With many different cultures in Indonesia, it's no wonder Balinese food is so diverse. Make sure you try some of these famous dishes. Lawar (minced meat salad), sate (Bali's version of satay on a stick), Babi guling (sucking pig) and jajanan pasar (sweet cakes) just to name a few. Feast on fresh seafood at a beachfront restaurant in Jimbaran Bay or find a little café with local delicacies. Why not take a cooking class and learn how to make traditional Balinese dishes.

## SNORKELLING, DIVING & FREEDIVING

Discover a treasure trove of natural wonders under the sea at the Gili Islands, Nusa Penida and Nusa Lembongan. Only a 45 minute boat ride from Sanur Beach, the calm waters around Nusa Lembongan and Nusa Penida are a delight for snorkellers and divers. The clear waters are teeming with tropical fish and coral gardens. With 25 dives sites in the Gili Islands, see diverse marine life including turtles, reef sharks and rays. If you're feeling adventurous, why not try freediving.

## SHOP FOR A BARGAIN

From modern malls to street markets and artisan villages specialising in traditional art forms, Bali is a shopper's paradise. Bargain for a great price on clothing, bags, sandals and jewellery at the Ubud or Sukawati Art markets. Packed with showrooms and workshops specialising in woodcarvings, paintings and masks, Tegallalang Handicraft Village is a great spot to pick up a unique souvenir. The Kuta Beachwalk is an open-air shopping venue just across from the beach, with a variety of well-known retail brands.

Ubud Art Market

The Gili Islands are perfect for an island getaway

## BEACH CLUBS

Bali is renowned for its beach clubs where you can swim, eat, sip on a creative cocktail and listen to cool tunes. One of the most prominent hotspots in Bali, Ku De Ta Bali offers an upscale beachfront space perfect for watching a famous Bali sunset. Spot celebrities and listen to DJ's at the poolside stage at Potato Head Beach Club in Seminyak. Take in the ocean views from the family friendly pool or adult's only area at Finn's Beach Club and with direct access to the beach, Ulu Cliffhouse features a 25 metre infinity pool and open air restaurant.

Finn's Beach Club

## CULTURE & DANCING

In the early 15th century, the cultural beliefs of the Balinese and Hindu came together through dance and music. Today, this tradition is still very important and each dance has its own significant meaning. The Barong Dance represents the fight between good and evil. The Kacak is a thrilling fire dance performed by chanting males, while the Frog Dance tells a romantic story inspired by the frog and a princess fairy tale. You can see these dances performed in traditional villages, temples and even in some hotels.

## UBUD MONKEY FOREST

Set on over 12 hectares of forest in the village of Padangtegal, the Ubud Monkey Forest is an important spiritual, educational and conservation centre. There are around 900 Balinese long-tailed monkeys roaming freely through the trees and temples. Watch babies, juveniles and adults feed on bananas and interact with each other. The forest is home to 186 different species of trees, including the Banyan Tree and three temples. Pura Dalem Agung – The Main Temple, Pura Beji – used for spiritual cleansing and Pura Prajapati – located near the cemetery.

Ubud Monkey Forest

## ANCIENT BALI TEMPLES

No holiday to Bali would be complete without visiting some of its peaceful scenic temples (pura). Perched atop a rocky outcrop amidst the crashing waves of the Indian Ocean, north of Seminyak, you'll find the most respected and important sea temple, Pura Tanah Lot. Further afield discover the holiest of temples – Pura Besakih on the slopes of Mount Agung, Pura Ulun Danu Bratan on the shores of Lake Bratan and the dramatic Pura Uluwatu. Central Bali is home to the 11th century Goa Gajah and The Gunung Kawi Temple.

Pura Ulun Danu Bratan

## WORLD-CLASS SURFING

Surfing is a major drawcard for this tourist mecca and Bali is home to some of the world's most epic tubes. The beaches in Kuta and Legian have low, slow waves – perfect for beginners. If you want to escape the crowds, head to the quieter beaches of Jimbaran or Nusa Lembongan. Advanced surfers will love Padang Padang, which offers consistent waves and regularly hosts international surfing events including the Rip Curl Cup. Perhaps the most scenic of Bali's surfing spots is Uluwatu, which is known for great quality waves. Bali is the perfect place to learn to surf or hone your skills.

Kuta

The unique terraced layout at Tegallalang Rice Terraces in Ubud is a traditional irrigation system which has been used for centuries

## RICE TERRACES

Bali's terraced rice fields are a calming and peaceful sight. A must-see while in Bali, these outstanding landscapes offer an interesting insight into the local way of life. Hire a bike and experience the spectacular Tegallalang Rice Terraces in Ubud. Offering a dramatic vista encircled by beautiful mountains and tropical forests, they provide a wonderful photo opportunity. Cascading down the Batukaru mountain range in West Bali, Jatiluwih Rice Terraces is the largest and most picturesque of all the rice terraces in Bali.

## YOGA & WELLNESS

Bali is renowned for its wellness retreats. The 'Island of the Gods' will help you relax, heal and return home a healthier person in mind, body, and spirit. Learn the art of meditation, relax with a yoga class or take part in a traditional Balinese ceremony or healing ritual. Dedicated to health and wellbeing, The Royal Pita Maha Resort in Ubud has a yoga Bale and nurturing day spa. People come here to experience the buzz of Balinese nightlife, shop at the many market stalls and, of course, learn to surf. Legian Street, the main shopping area, is situated directly behind the row of hotels that face the beach and is filled with a variety of shops.

## 2. Supply of Travel, Entertainment, Accommodation Service and Facilities

- 2.1 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.
- 2.2 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:
  - GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
  - The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.
  - Where for any reason, a Supplier is unable to provide particular facilities or services, then that Supplier may be entitled, under its contract with you to substitute those services or facilities with comparable or equivalent facilities or services without incurring any liability to you. You should check your contract with each Supplier.
  - All facilities or services described by us are subject to availability from the Supplier.
  - GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

## 3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

## 4. Information in the Brochure

- 4.1 This brochure was published on 29 November 2019 and is valid for services used 1 April 2020 to 31 March 2021 unless otherwise advised. Exchange rates used when costing this brochure are as at 7 November 2019.

- 4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.
- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.
- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.
- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

## 5. Prices

- 5.1 All prices shown in this brochure are expressed in New Zealand dollars.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
- 5.4 All prices exclude travel agent service fees.

## 6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

## 7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

## 8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

## 9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

## 10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

## 11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

## 12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

## 13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

## 14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

## 15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
