TRAVEL TIPS

WHEN TO GO

Tropical North Queensland is blessed with a year round tropical climate. From April to October, days are warm and dry with low humidity, so it's perfect if looking to escape the southern winter. It's a great time of year to take advantage of the area's attractions, especially the reef, since the risk of stingers is minimal. To see flowing waterfalls and full-to-the-brim lakes, plan your holiday from November to March. Humidity is higher, crowds are lower but the action is still in full swing. During this time, parts of Cape York Peninsula can be tricky to access so it's best visiting this region mid-year.

GETTING AROUND

By Car

Take the time to explore as you make your way through Tropical North Queensland by road. Discover hidden waterfalls, quaint towns and secluded beaches from the comfort of your rental car. Ask your travel agent about our current great offers and specials.

By Rail

Explore Queensland by rail. Queensland Rail's Spirit of Queensland services the coastal regions between Brisbane and Cairns. The Spirit of the Outback services regions between Brisbane and Longreach. Our Ultimate Outback Queensland Adventure Rail Tour packages the Spirit of the Outback with five nights accommodation in Longreach and an array of sightseeing. See our escorted rail journey on page 18 and refer to our Queensland Rail Holidays brochure for more great rail ideas.

VISAS & PASSPORTS

A valid passport is required with at least six months validity beyond the intended stay. A visa is not required for New Zealand passport holders. Travel advice is available from the New Zealand Government Ministry of Foreign Affairs and Trade at safetravel.govt.nz

CURRENCY

Australian Dollar (AUD).

TIME

Tropical North Queensland is 2 hours behind New Zealand Standard Time (NZST). Daylight Saving Time is not observed in Queensland.

ELECTRICITY

240V 50Hz. No adapter required.

BEACH SAFETY

Queensland has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards. Marine stingers are present in coastal waters from October to June, so please heed warning signs and instructions. Many beaches have netted enclosures for safe swimming.

FAMILY FRIENDLY

Tropical North Queensland is a destination for the whole family. Many properties welcome children and provide facilities such as children's wading pools and playgrounds. Families wanting a little more room will find plenty of apartment style accommodation in almost all destinations.

FEES & PERMITS

Many tours to the Great Barrier Reef incur an Environmental Management Charge. If applicable, this charge is included in the New Zealand Dollar "From" price on the tour listing. The Environmental Management Charge is to be paid by you, in Australian Dollars, to the tour operator on the day of the tour. This charge is subject to change at any time.

EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

Tropical North Queensland has countless amazing things to see and do. Here are 10 of our favourites to inspire your wanderlust.

Paronella Park, Queensland

PARONELLA PARK

Open to the public since 1935, this stunning attraction was the dream and vision of Spaniard, José Paronella. Set on five hectares beside Mena Creek in the Atherton Tablelands, it comprises a castle, bridges, a tunnel, over 7500 tropical plants and a picnic area bordered by flowing waterfalls. After a 45 minute guided tour, visitors are invited to enjoy the grounds, café and gardens at leisure, returning in the evening for the spectacular light show powered by the park's own hydro electric generator.

Great Barrier Reef, Queensland

EXPLORING THE REEF

There are so many ways to explore the Great Barrier Reef; the area's number one attraction. Numerous full and half day trips run from Port Douglas, Cairns and Mission Beach on a variety of vessels featuring activities such as diving, snorkelling and glass bottom boats. Alternatively, try a unique live aboard, overnight experience. For high flyers, there's no better way to see the reef than on a scenic helicopter flight. Trips can range from 10 to 60 minutes and promise to be an experience of a lifetime.

DAINTREE RAINFOREST

The Daintree region stretches for 95 kilometres from Mossman Gorge to Cape Tribulation and along the Bloomfield Track towards Cooktown. It's thought to be one of the oldest rainforests in the world, boasting flora and fauna not found anywhere else. Fortunately, this unique piece of paradise is easily accessible and can be experienced by cruising, zip-lining, walking, horse-riding or just driving. Day tours to this region operate from Cairns, Palm Cove and Port Douglas and there is also accommodation in the rainforest for extended stays.

Mossman Gorge, Queensland

Queensland's Great Barrier Reef is an underwater world of colourful fish and coral gardens

KURANDA

Kuranda is an easy day trip from Cairns, but getting there is half the fun! Take either the Kuranda Scenic Rail or the Skyrail Rainforest Cableway to or from Cairns and marvel at one of the world's oldest tropical rainforest along the way. Once in Kuranda, visit the popular markets and pick up a handmade souvenir or two. Nature lovers won't want to miss the Kuranda Butterfly Sanctuary which is the largest of its kind in the Southern Hemisphere. Fans of feathered friends will be thrilled with the selection of native and exotic birds at Kuranda Birdworld.

Skyrail Rainforest Cableway, Queensland

DINOSAUR STAMPEDE

Head to Queensland's Outback and step back in time to when dinosaurs roamed the earth. Winton and Lark Quarry offer incredible dinosaur experiences for the whole family. Visit the Dinosaur Stampede National Monument at Lark Quarry and see 93 million year old dinosaur footprints created from a herd of 150 small, two-legged dinosaurs. The centre also offers an animated recreation of the stampede as well as a movie presentation. The Australian Age of Dinosaurs features a museum as well as guided tours of the Collection Room and Fossil Preparation Laboratory.

Head inland from Cairns and cool off at the spectacular Josephine Falls

CASSOWARY COAST

The Cassowary Coast lies between Cairns and Townsville and showcases the destinations of Mission Beach and Dunk Island. This region is known for its leisurely pace of life, but rest assured, there is plenty of activity to keep adventure seekers happy. This stretch of coastline is the closest point to the Great Barrier Reef while the Great Barrier Reef Marine Park was founded just off the shore from Mission Beach. With this right at your doorstep, it's the perfect opportunity to take advantage of diving and snorkeling day trips in pristine waters with fewer crowds.

TABLELANDS TASTING TRAIL

The Atherton Tablelands offer a wonderful and unique gourmet food trail that's hard to top. This picturesque and fertile 'food bowl of Queensland's far north' is located west of Cairns. Either self drive or join a day tour to sample cheese, chocolate, coffee, spirits, nuts, fruits and wines. Places to look out for include Gallo Dairyland, Jacques Coffee, Mt Uncle Distillery and the Babinda Bakery serving big, fluffy, decadent cream buns. A number of quaint, country pubs dot the region for when it's time to wet your whistle.

INDIGENOUS EXPERIENCES

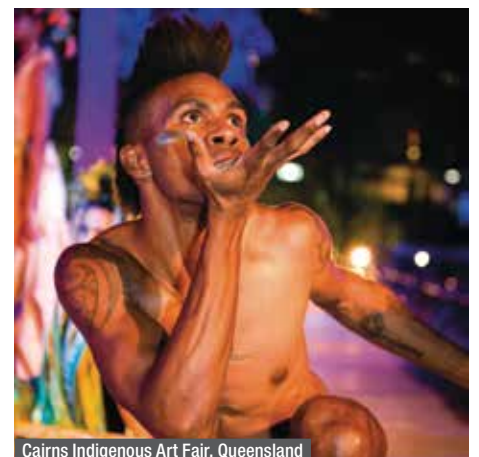

Make a deeper connection with the land on a cultural, indigenous tour. Traditional custodians will guide you through Mossman Gorge, the Daintree and Cape York with smoking ceremonies, demonstrations and narratives explaining their ties to the land. Cultural performances, including dance, can be experienced at Flames of the Forest and Tjapukai. Head north to the Torres Strait, where each island retains a distinct culture, or drive just an hour north of Cooktown and explore rarely seen rock art galleries with traditional owners.

Cairns Indigenous Art Fair, Queensland

WONDERFUL WATERFALLS

Tucked away just west of Cairns are stunning waterfalls and lakes that are perfect for a quick dip or a great photo opportunity. Nestled within the Atherton Tablelands are Babinda Boulders and Josephine Falls with its natural rock slide. Further west are the picturesque Millaa Millaa Falls and Malanda Falls. Continue to Lake Eacham, a superb lake within a volcanic crater, before heading to Lake Barrine. This 'swimming circuit' is best attempted from Cairns and is an easy self drive or better yet, take a guided tour.

Millaa Millaa Falls, Queensland

WILDLIFE ENCOUNTERS

Animal lovers will find a number of wildlife parks and sanctuaries housing rare and native birds, mammals and reptiles. Hand feed Cownose rays at the recently opened Cairns Aquarium, which also houses a turtle hospital and a number of interactive displays. You can even swim with reef sharks! Hartley's Crocodile Adventures, just north of Cairns, is set on 25 acres and offers a croc spotting cruise on their very own lagoon as well as their famous croc feeding demonstration. Here, you can feed wallabies and kangaroos or have your photo taken cuddling a koala.

After an early morning departure from selected accommodation, your holiday begins, travelling up the Gillies Range to the Atherton Tablelands. Stop off at Lake Barrine for a short walk to the Twin Kauri Pines, before travelling on to Herberton to explore the Herberton Historic Village.

Set on 16 acres, the village is a tin mining town with shops, pub, bank, chemist, grocer, printer and garage. There are more than 50 restored period buildings making this outdoor museum the most significant of its kind in Queensland. Continue to Malanda. Overnight in Malanda.

Day 2: Malanda to Georgetown (BLD)

Today, travel west towards Mount Surprise and enjoy lunch with a snake show. After lunch, travel aboard the Savannahlander train to Forsyth via Einasleigh then travel by private vehicle to Georgetown. Overnight in Georgetown.

Day 3: Georgetown to Karumba (BLD)

Take morning smoko on the shore of Croydon's Lake Belmore before enjoying lunch in Normanton. Here you can absorb its famous landmarks, including the 'Purple Pub', historic Burns Philp General Store and a replica of Krys, the 8.63m crocodile. Continue on to Karumba on the Gulf of Carpentaria for a cruise to enjoy a spectacular Gulf sunset. Overnight in Karumba.

Day 4: Karumba to Lawn Hill (BLD)

After visiting the Burke & Wills Camp #119, the tour crosses the vast Plains of Promise to Leichhardt Falls and Burketown. Then continue to Adel's Grove, a Savannah Guides Site. Stay the next two nights at Lawn Hill.

Day 5: Lawn Hill (BLD)

Enjoy a relaxed day visiting Lawn Hill National Park – a spectacular oasis set amid the spinifex clad Constance Range. Embark on a cruise that offers an up close look at the Lawn Hill Gorge and a stunning view of the Indarri Falls.

Called Boodjamulla in the local Indigenous language, this gorge was formed by Lawn Hill Creek which is fed by numerous freshwater springs, creating a beautiful oasis. The gorge is a haven for an abundance of wildlife and is a birdwatcher's paradise. Swimming or paddling a canoe (extra charge) up the gorge is highly recommended.

Day 6: Lawn Hill to Normanton (BLD)

Visit the World Heritage Listed Riversleigh Fossil Field – a rare treasure house of palaeontology – recording the history of Australia's mega-fauna of 20 million years ago. Enjoy lunch at Gregory and a short break at the remote Burke & Wills Roadhouse before travelling on to Normanton. Overnight in Normanton.

Day 7: Normanton to Cobbold Gorge (BLD)

Depart Normanton aboard the historic Gulflander RM93 train, a Savannah Guides Site, to Critters Camp.

You'll then continue to Black Bull Siding and Croydon and will visit Georgetown and Forsyth on the way to Cobbold Gorge, a Savannah Guides Station. Overnight at Cobbold Gorge.

Day 8: Cobbold Gorge to Undara (BLD)

This morning, cruise on Cobbold Gorge's beautiful and secluded waterway surrounded by spectacular carved Hampstead sandstone which dates back 135 million years. Travel on to the famous Undara Lava Tubes, a Savannah Guides Station. Enjoy campfire entertainment after dinner before retiring to your accommodation in faithfully restored antique railway carriages. Overnight in Undara.

Day 9: Undara to Cairns (BL)

After breakfast in the Australian bush, an experienced Savannah Guide will meet you for an informative tour of the world's largest, longest and most accessible lava tube system. These lava tubes were created some 190,000 years ago when 23 cubic kilometres of lava flowed for 160 kilometres down a river bed, creating the world's longest lava flow from a single volcano. Some of the caves within this system are over 21 metres wide and 10 metres high.

Continue on your scenic and leisurely drive over the Tropical Tablelands past the wind turbines at Ravenshoe, stopping off at the magnificent Curtain Fig Tree before making your way back to Cairns, where you will be dropped off at your selected accommodation.

Start your outback adventure by stepping into the shoes of early pioneers. Your Cobb & Co Stagecoach Experience includes the stagecoach ride on the old Longreach to Windorah mail route, home-baked scones and tea in The Welcome Home Café and Tearoom, a classic Australian movie and the Harry Redford Old Time Tent Show, enjoyed with a Billy Can Lunch.

This afternoon, there is time to browse the main street of Longreach before your 4.30pm transfer to the Thomson River for the Starlight's Cruise Experience.

Board the historic paddlewheeler for a sunset cruise. Later, enjoy a hearty stockman's dinner around the campfire with bush poetry, then the Starlight's

Spectacular Sound and Light Picture Show – a Kinnon-commissioned production bringing the legendary, infamous cattle duffer, Harry Redford, to life.

Day 4: Longreach (BLD)

After enjoying a breakfast basket, the coach will pick you up in front of The Welcome Home. It's an early start for a full-day Winton Discovery Day Tour. Visit the award-winning Australian Age of Dinosaurs museum including the exciting new Dinosaur Canyon and the Collection Room.

Later, visit the Winton Opal Gems before enjoying lunch and a rendition of Waltzing Matilda at the historic North Gregory Hotel. After, explore the landmark Waltzing Matilda Centre before heading back to Longreach. At 6pm, wander over to the Happy Valley Chinese Restaurant for a traditional outback Chinese banquet.

Day 5: Longreach (B)

After your breakfast basket, be transferred to the Australian Stockman's Hall of Fame to explore the five galleries of the museum marvelling at the achievements of the early settlers.

The Australian Stockman's Hall of Fame, officially opened in 1988, has seen over one million visitors and remains one of the most popular attractions in Outback Queensland. It tells the story of the pioneering men and women who shaped the state, as well as stories of the first inhabitants, some 40,000 years prior. After, head to the Qantas Founders Museum for a guided tour. At 3pm the coach will take you back to your accommodation to relax for the evening.

Day 6: Longreach (B)

Today the tour ends and you'll be taken to the railway station or to the airport for your departure.

2. Supply of Travel, Entertainment, Accommodation Service and Facilities

2.1 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.

2.2 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:

- GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

4. Information in the Brochure

4.1 This brochure was published on 20 December 2019 and is valid for services used 1 Apr 2020 to 31 March 2021 unless otherwise advised. Exchange rates used when costing this brochure are as at 6 December 2019.

4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.

4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.

4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

5. Prices

5.1 All prices shown in this brochure are expressed in New Zealand dollars.

5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.

5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.

5.4 All prices exclude travel agent service fees.

5.5 Conditions of carriage: Full Queensland Rail Travel terms and conditions may be obtained from GO Holidays. By booking rail travel through GO Holidays you agree to be bound by Queensland Rail Travel's conditions of carriage.

6. Payment

6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.

6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.

6.3 Final payment shall in all cases be made not less than 30 days (125 days for Ultimate Outback Queensland Adventure Tour) prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.

6.4 Credit Card not permitted unless travel agent acts as merchant.

7. Amendment or Cancellation

7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.

7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.

7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.

7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.

7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
