TRAVEL TIPS

WHEN TO GO

The Top End has two distinct seasons, the green season (November to April) and the dry season (May to October). The dry season generally has dry sunny days with cooler nights while the green season is characterised by high humidity, monsoonal rains and storms and is the best time to see waterfalls.

The climate in The Red Centre is one of extremes with hot summers, cold winters and very little rain all year round.

GETTING AROUND

BY RAIL

Take the ultimate journey through the heart of Australia on The Ghan. This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin in the Top End (also operates in reverse). See pages 14 and 15 for more details.

BY CAR

Take the time to explore and discover as you make your way through the Northern Territory by road. We offer a selection of suggested driving itineraries, providing you with the freedom to see the Northern Territory at your own pace. Refer to the Self Drive Holidays starting on page 18 for more details.

Speed limits apply in all urban areas and highways of the Territory. Travellers should drive at a speed that suits the road, vehicle, weather conditions and their driving experience. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways.

VISAS & PASSPORTS

A valid passport is required with at least six months validity beyond the intended stay. Travel advice is available from the New Zealand Government Ministry of Foreign Affairs and Trade at safetravel.govt.nz.

TIME

Northern Territory is 2 hours 30 minutes behind New Zealand Standard Time (NZST). Daylight Saving Time is not observed in the Northern Territory.

ELECTRICITY

240V 50hz. No adapter required.

NATIONAL PARKS PASSES

All visitors to Kakadu National Park and Uluru-Kata Tjuta National Park must purchase a National Park Pass prior to entering the Parks. As this fee is not payable directly to the hotel or tour operator and because there are a number of different options available, this fee is not included in the prices featured on individual accommodation and tour listings in this brochure, unless otherwise specified.

Park passes can be purchased from National Park Entry Stations in the Northern Territory or online at parksaustralia.gov.au, where you can also find full details of the various options available for purchase.

ABORIGINAL CULTURE

Almost one quarter of the Northern Territory's population are Aboriginal people and approximately half of the Territory is Aboriginal owned land. Family business and ceremonies are important to Aboriginal people and these matters take priority, which may alter scheduled tours or restrict access to sites with spiritual significance.

ABORIGINAL LAND ACCESS

Driving over Aboriginal owned land and access into Arnhem Land is restricted. Visitors must apply for a permit from the Northern Land Council or alternatively choose a tour where operators have permission from the traditional owners to enter their land.

SWIMMING

The Northern Territory has many safe places to swim, including local nature reserves and in some national parks. Salt and Freshwater crocodiles are found in most Top End billabongs and rivers, and are occasionally seen on remote beaches. This is generally sign-posted, but if you are unsure, don't swim. Beach swimming is not recommended from October to April due to marine stingers.

EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

The Northern Territory have countless amazing things to see and do. Here are 10 of our favourites to inspire your wanderlust.

WEST MACDONNELL RANGES

The West MacDonnell Ranges, stretching 161 kilometres west of Alice Springs, is the perfect backdrop to explore the scenic beauty and history of the area. Take a short walk on one of the well-marked walking tracks or tackle the challenging 223 kilometres of the Larapinta Trail. Cool off with a refreshing dip in a watering hole such as Ellery Creek Big Hole, Ormiston Gorge or Glen Helen Gorge and go in search of rare plants and wildlife. This beautiful part of the Northern Territory is not to be missed.

ULURU & KATA TJUTA NATIONAL PARK

Journey to the spiritual heart of Australia and discover Uluru (Ayers Rock) and Kata Tjuta (The Olgas). Measuring almost 10 kilometres around the base, there are so many ways to experience the magic of Uluru. Walk the circumference, take a camel ride, ride a bike or Segway, or take a scenic helicopter flight. The 36 domes of Kata Tjuta are roughly a 45 minute drive west of Uluru. Join a guided sunrise or sunset tour and explore the rugged Valley of the Winds and Walpa Gorge walking tracks.

ALICE SPRINGS & DARWIN

Not only the gateways to everything that makes the Northern Territory unique, Alice Springs and Darwin are fascinating cities with so much to offer. Visit the base of the iconic Royal Flying Doctor Service and see the largest classroom in Australia at the School of the Air in Alice Springs. Take a cruise on the Darwin harbour, swim with crocodiles at Crocosaurus Cove and brush up on your military knowledge at the historic sites hit by Japanese air raids in 1942. Darwin encapsulates a laidback atmosphere and multiculturalism unique to the Northern Territory.

Uluru rises 348 metres from the ground, almost as high as the Empire State Building in New York

LITCHFIELD NATIONAL PARK

Swim under plunging waterfalls, wander through towering termite mounds and discover native wildlife – all only a 90 minute drive from Darwin. Take a short walk through cypress pines to the Tolmer Falls viewing platform, soak in the three-tiered watering hole at Buley Rockhole and cool off in the water beneath the spring fed waterfalls of Florence and Wangi. Jump in a four wheel drive to explore the sandstone relics of the Lost City and see the fascinating two metre tall magnetic termite mounds. It's easy to see why Litchfield National Park is a favourite with the locals.

Termite Mounds, Litchfield National Park

NITMILUK NATIONAL PARK

Cruise into paradise and discover the abundant waterways and cascading waterfalls of the 13 stunning gorges that make up Katherine Gorge in the Nitmiluk National Park. Hire a canoe and paddle along the gorges to see waterfalls, Aboriginal rock art and wildlife, join a gorge cruise and maybe walk the 58 kilometre Jatbula Trail. Cool off in a secluded and tranquil swimming hole at Sweetwater Pool or the pandanus-fringed plunge pool at Edith Falls. With remote and dramatic scenery, Nitmiluk National Park forms the crossroads between the outback and the tropics.

Edith Falls, Nitmiluk National Park

Katherine Gorge, Nitmiluk National Park

• Kings Canyon is home to over 600 different species of native plants

KAKADU NATIONAL PARK

Kakadu is Australia's largest national park. Measuring over 20,000 square kilometres you'll find rugged landscapes, Aboriginal rock art sites, thundering waterfalls, lush wetlands and abundant wildlife. Walk to the top of Gunlom for views over the national park and take a refreshing swim at the plunge pool. Go in search of crocodiles, jabirus and other native wildlife on board a Yellow Water Cruise through the billabong and learn about Aboriginal culture at the Warradjan Cultural Centre. See the imposing 200 metre high waterfall at Jim Jim Falls and take a dip in its plunge pool.

MINDIL BEACH MARKETS

Reflect on another memorable Top End day as the sun slowly sinks into the ocean at the Mindil Beach Sunset Markets in Darwin, open Thursdays and Sunday afternoons (April to October). With over 100 stalls to browse through, shop for uniquely Territorian arts and crafts, homewares, clothing and jewellery. Taste the world as you wander through the 50 plus food outlets. Choose from Sri Lankan, Cambodian, Malaysian, Japanese and more! Enjoy the Top End's glorious dry season in true Darwin style with a picnic dinner on the beach watching a spectacular tropical sunset.

FIELD OF LIGHT

Don't miss the chance to see acclaimed international artist, Bruce Munro's Field of Light. As darkness falls and Uluru is thrown into silhouette, Field of Light illuminates. As far as the eye can see, more than 50,000 stems crowned with deep violet, blue and gentle white frosted-glass bloom over Australia's spiritual heartland. The exhibition is Munro's largest work to date and covers more than seven football fields. Take a self-guided walk with the Field of Light Pass or indulge with A Night at Field of Light which includes sunset drinks and canapés, a three course buffet dinner and plenty of time to wander through the exhibition.

KINGS CANYON

Surround yourself with 100 metre high sandstone walls and palm-filled crevices as you step deep into the heart of Kings Canyon. Start early in the day before it gets too hot and take in the breathtaking views as you walk along the red rock cliffs on the Kings Canyon Rim Walk. Continue your journey through Priscilla's Crack, made famous by the classic Australian movie, Priscilla, Queen of the Desert. For an easier hike, the Kings Creek trail follows a track between two soaring canyon walls to a lookout point. Be welcomed by spectacular views of the sheer cliff face at the far end of the canyon.

ARNHEM LAND

Be inspired by one of the Top End's most spectacular natural destinations, Arnhem Land. Rugged coastlines, remote islands, rivers teeming with fish, lush rainforest and towering escarpments combine to create a timeless wonderland. This vast area is one of Australia's last strongholds of traditional Aboriginal culture. Join a cultural tour at Injalak Hill to see ancient rock art and hear Dreamtime stories, visit some of the art and craft centres or take part in an interpretative walking trail. Every visitor to Arnhem Land requires a permit, so we suggest that you join a guided tour.

ARNHEM LAND

Arnhem Land spans 97,000 square kilometres in the north-eastern corner of the Territory. Isolated bays, marine life, mangrove decorated tidal flats and spectacular landscapes combine to create one of Australia's last true wilderness areas. Fish in the remote waters and take the opportunity to obtain rare access into Indigenous communities, unchanged for centuries.

While four wheel drive access into Arnhem Land is possible, it is recommended that you check which areas require access permits and allow time for this when planning your holiday. As tourist access is quite strict, it is best to travel as part of a tour which includes permits.

SEE

- Visit the ruins of early Victorian settlement in Garig Gunak Barlu National Park

DO

- Meet Indigenous artists working at Injalak Arts and Crafts Centre and view colourful woven baskets and screen printing

1. Our Services and Obligations

- 1.1 The services within this brochure are supplied by the wholesaler GO Holidays, a division of helloworld Travel Ltd. They consist of arranging and co-ordinating travel, entertainment and accommodation facilities and services, and making bookings, issuing tickets and issuing vouchers to be redeemed by suppliers.
- 1.2 We undertake to perform these services with reasonable care and skill. We will not be liable for any loss or damage, or loss of enjoyment which result from the act, default or omission of any person other than ourselves or employees, or any cause beyond our control. This includes (but is not limited to) loss, damage or loss of enjoyment which arises directly or indirectly from an Act of God, weather disruptions, dangers incidental to sea, fire, breakdown in machinery or equipment, acts of Government or authorities whether legitimate or not, wars whether declared or not, hostilities, acts of terrorism, civil disturbances, strikes, lockouts, riots, deaths, pilferage, epidemics, quarantines or medical, customs or immigration or emigration regulations.
- 1.3 We are not able to exercise control over services we do not supply directly, therefore we will not be responsible for any loss or damage arising from:
 - Any booking made directly with a service supplier by your travel agent or by yourself direct, or
 - Any services which are not provided by us and which are additional to those described in this brochure.
- 1.4 We will endeavour to provide the most suitable travel arrangements to meet the particular requirements you make known to us. However, travel is an individual experience, and your preferences and opinions may vary from our own. For this reason, we cannot take responsibility for your individual satisfaction, neither can we take responsibility for weather nor for compatibility of fellow guests or staff during the course of your travel.

2. Supply of Travel, Entertainment, Accommodation Service and Facilities

- 2.1 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.
- 2.2 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:
 - GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
 - The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.
 - Where for any reason, a Supplier is unable to provide particular facilities or services, then that Supplier may be entitled, under its contract with you to substitute those services or facilities with comparable or equivalent facilities or services without incurring any liability to you. You should check your contract with each Supplier.
 - All facilities or services described by us are subject to availability from the Supplier.
 - GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

4. Information in the Brochure

- 4.1 This brochure was published on 20 December 2019 and is valid for services used 1 April 2020 – 31 March 2021 unless otherwise advised. Exchange rates used when costing this brochure are as at 6 December 2019.

- 4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.
- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.
- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.
- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

5. Prices

- 5.1 All prices shown in this brochure are expressed in New Zealand dollars.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
- 5.4 All prices exclude travel agent service fees.
- 5.5 Rail conditions of carriage: Full rail terms and conditions may be obtained from GO Holidays. By booking rail travel through GO Holidays you agree to be bound by Great Southern Rail's Booking and Travel Conditions.

6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days (45 days for The Ghan 14 Day Territory Adventure Rail Holiday Package and 155 days for the Ultimate Outback Rail Journey) prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.

- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.
- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.

16. Images

Our thanks to Tourist Bureaus, hotel, tour operators, Tourism Northern Territory, Tourism Australia, Shaana McNaught and Lords Safaris.

PLEASE READ THESE CONDITIONS CAREFULLY

The guarantees under the Consumer Guarantees Act will apply to services supplied by us except where they are acquired, or are held out as being acquired for business purposes.
