# Welcome to Sun Island Tours

Dear Traveller,

Sun Island Tours is proud to present our 2020 early release brochure for Croatia Cruising, including our wonderful Croatia Cruise & Stay Packages.

Each year we mistakenly expect that demand for Croatia cruising has peaked, and each year we are proven wrong. As international airlines increase their flight schedules, local ship builders are busy constructing more feature-filled vessels across all categories. This is great for you, as it means you can choose to sail on anything from traditional wooden sailing boats all the way to state-of-the-art deluxe motor yachts. There are over 30 cruises in this brochure to choose from, departing Dubrovnik or Split, as well as other destinations along the Croatian coast.

We have released this brochure to allow you to get ahead of the demand. Last year, almost half of the cruises we offer were sold out 6 months prior to departure. To make sure you get the cruise you want, take advantage and book early. Many of the cruises featured also include earlybird discounts, so there are savings to be had as well.

Croatian sailing vessels have up to a maximum of 20 cabins. These cabins are often spread over two decks – a Lower Deck where cabins have smaller porthole windows (which cannot be opened), and a Main Deck which has larger windows (which usually can be opened). Whilst the Lower Deck cabins are more affordable, we like them for being relatively private. Main Deck cabins see a lot more traffic pass by them, and as such do tend to be a bit louder. When deciding between Lower and Main Deck cabins, engine noise is not an issue because the vessels only sail during the day, not at night.

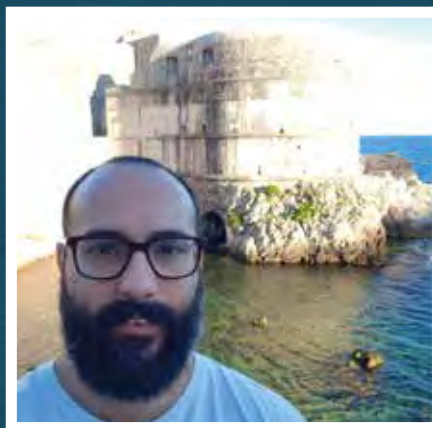

Our Groups Department can help with cruises all around Croatia, including entire vessel charters. We can also create tailor-made packages. Use our knowledge and expertise to streamline your group travel.

For further information, please contact your travel agent or visit us at [www.sunislandtours.com.au](http://www.sunislandtours.com.au). Our comprehensive website features online brochures, destination information, and other specials and promotions.

We'd like to thank our many repeat clients, and extend a warm welcome to our new ones.
