HERE TO HELP

YOUR POOL ATTENDANT

Every morning, as the sun peaks over the horizon, a team of Pool Attendants descend upon each ship's resort-style pool. They begin their day by meticulously arranging plush lounge chairs with the perfect amount of space between them. Throughout the day, they see to your every whim, from refreshing your beverage to polishing your sunglasses, while you bask under the glistening sun.

YOUR BARTENDER

These talented individuals not only know how to prepare your favourite libation, but also remember exactly how you like it, whether on the rocks or neat. When the mood takes you to try something brand new, they excel at creating a tailored signature cocktail, just for you.

YOUR WAITER

There is no better feeling than arriving at your table to be looked after by your favourite waiter. An enthusiastic welcome always awaits, as does a seamless dining experience that is perfectly timed. Your Waiter knows your likes and, when asked, serves as your culinary guide to help you find your next favourite dish.

YOUR BUTLER

– In Penthouse Suites and above –

It's almost impossible to list exactly what your butler will do for you. They will pack and unpack luggage, press clothing, book spa services and serve dinner in your suite. They will arrange the perfect cocktail party and assist with debarkation, all while ensuring that you are attended to around the clock.

HAUTE CUISINE

Wherever your journey takes you, the world's most celebrated cuisines are an order away. Enjoy themed lunch menus at the Pool Grill, such as a gaucho's barbecue overlooking Buenos Aires, or exquisite curries while docked in Mumbai. On particular evenings, the entire deck is transformed, whether celebrating the Chinese New Year or experiencing a traditional Hawaiian luau.

All of this is in addition to ever-changing options in La Veranda, and the expansive menu at Compass Rose that showcases our Executive Chef's most inventive and most delicious talents. You can enjoy our exquisite cuisine when, where and with whom you wish in up to five restaurants. Paired with complementary wines and impeccable service, this is all available without additional premium for the privilege. Even dining in our speciality restaurants is included.

feature DESTINATION

BERMUDA'S ENGLISH HERITAGE

Among the many myths, legends and misconceptions of **Bermuda** is that it is associated with the Caribbean, which lies nearly 1 610 km to its south. What you will find is that this most isolated of island groups is quaintly English, with its cricket matches and afternoon teas.

The first settlement of Bermuda began at the north end of the archipelago in **St. George**. The town, deemed a **UNESCO World Heritage Site**, is the second-oldest English town in the New World, and for almost two centuries, was the capital of Bermuda. It is named for both Sir George Somers, the founder of Bermuda, and Saint George, the Patron Saint of England. Nearby, discover many unique natural attractions, including the limestone formations of Tobacco Bay Beach and the Crystal Caves of Bermuda.

BEAUTIFUL BARBADOS

The island of **Barbados** is rimmed with mile after mile of pristine beaches. The eastern edge, rugged and hilly, lies on the Atlantic Ocean. The west coast, washed by the calmer Leeward sea has most of the resort hotels. It is here that you will find the capital, Bridgetown, and older colonial settlements. Tour the meticulously restored **17th-century Sunbury Plantation House** or admire the spectacular views from **Gun Hill Signal Station**. Adventure at sea by catamaran or Atlantis submersible and on land by an off-road island safari. Local delicacies include the sweet and tender flying fish, washed down with a glass of **Barbados' famous Mount Gay rum**.

ENGAGING ESMERALDAS

Named Esmeraldas by the Spanish explorers who found the local natives bedecked with emeralds, this area of Ecuador is beautiful and lush. **Rainforests, tropical vegetation and mangrove forests**, together with rivers and dense foliage, make this province green in colour and in conservation efforts. The only inhabitants for centuries were of the Tumaco/La Tolita culture that spread over the modern borders of Colombia and northern Ecuador. Its wild and remote inland areas, accessible only by canoe, make Esmeraldas the ideal staging ground for an epic river safari.

DRAMATIC TENERIFE

Tenerife is the largest of Spain's Canary Islands. Situated just off the coast of West Africa featuring beautiful beaches, it is dominated by the dormant volcano, **Mt. Teide**. Tenerife's privileged setting allows you to enjoy beautiful black and yellow sand beaches, such as Las Teresitas; admire the enchanting **Orchid Gardens**, founded in 1774 as a historic English garden, or visit the Teide National Park, the symbol of the island. Tenerife may be best known for its Carnival de Santa Cruz, a huge pre-Lent festival with parades, music, dancing and colourful costumes.

FEATURED UNESCO WORLD HERITAGE SITE:

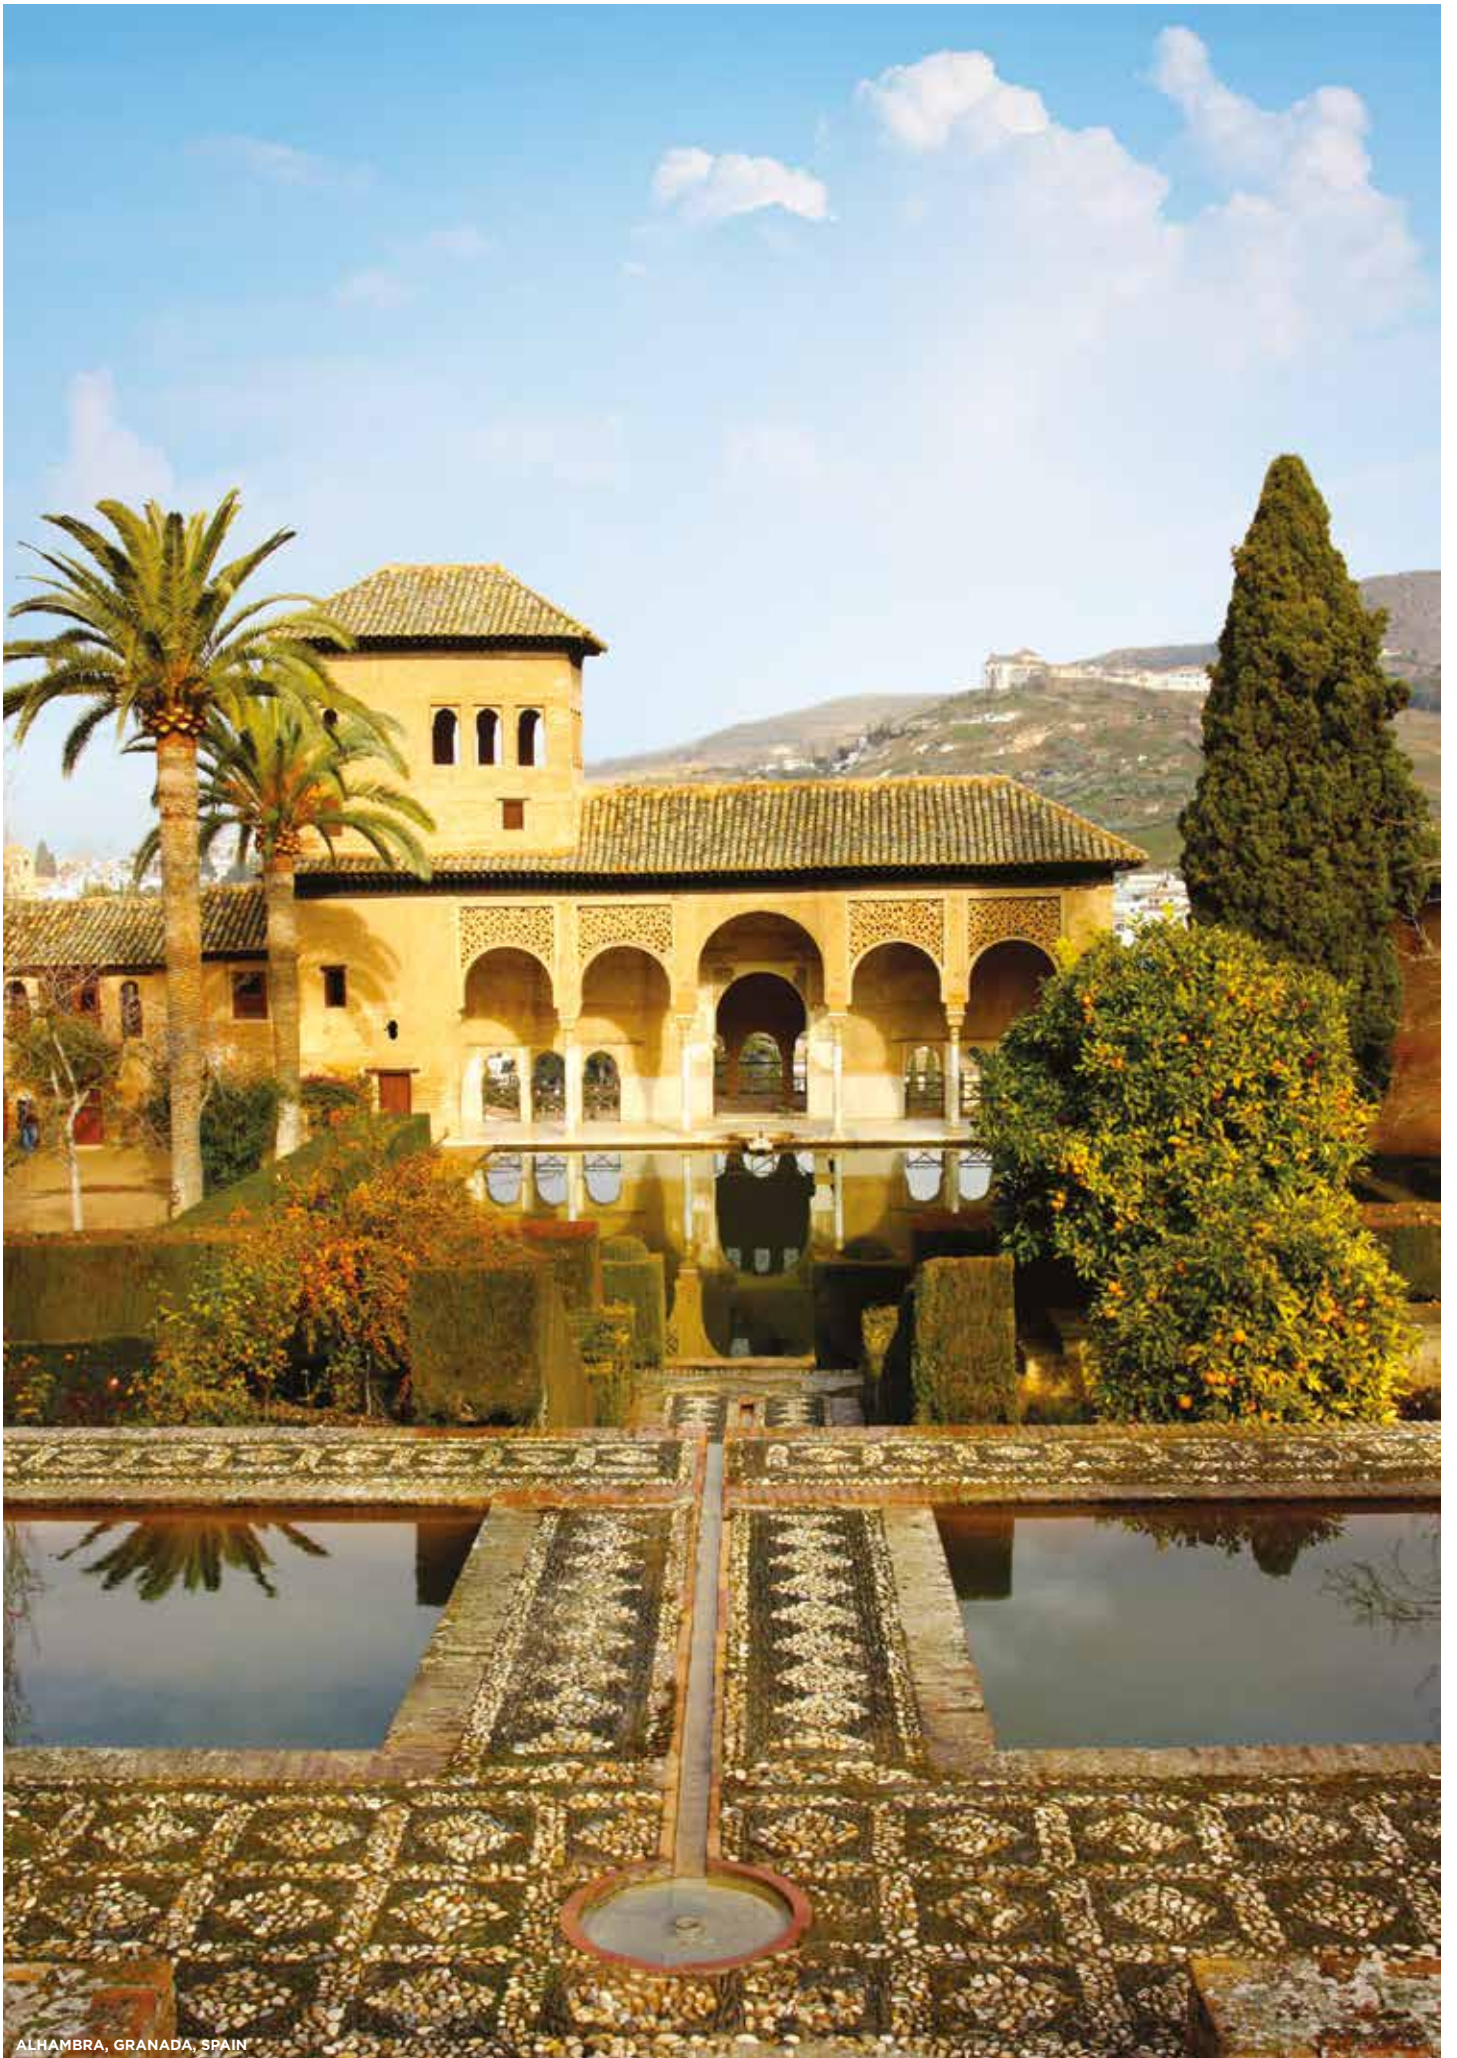

Teide National Park features the **highest peak on Spanish soil**. Rising 7,500 metres above the ocean floor, the world's third tallest volcanic structure peeks out at you from a sea of clouds.

ENCHANTING ALASKA

WHALE WATCHING & WILDLIFE

From Juneau you will embark a waterjet-powered catamaran specially designed for wildlife viewing, towards the humpback's favoured feeding spot, Stephen's Passage, for optimal viewing and photographic opportunities. Aboard the catamaran a naturalist will explain the behaviour and habitat of the humpback whale.

KLONDIKE GOLD DREDGE & PANNING

From Skagway you can find yourself knee-deep looking for gold. Learn the art of gold panning and practise your technique. You may not necessarily strike it rich, but you will come away with a fun history lesson and another unforgettable shared experience.

TONGASS RAINFOREST EXPEDITION

From Ketchikan, journey into the pristine Tongass Rainforest and to a viewing platform across from a cascading waterfall that offers the perfect view of the abundant wildlife found here. You may even catch a glimpse of a bear or two, or a bald eagle soaring overhead.

SITKA BARANOF ISLAND

Founded by Russian fur traders in 1799, Sitka was the historic centre of Russia's Alaskan empire. Today, picturesque Sitka is known for its fishing industry, an annual summer classical music festival, and of course, its many historic visitor attractions. Sitka is the only city in southeast Alaska that actually fronts the Pacific Ocean.

RUSSIAN AMERICA & RAPTORS

From Sitka, you can visit the Alaska Raptor Centre. This Bald Eagle Centre operates to rescue and rehabilitate birds. You will participate in a presentation with one of the centre's resident birds and can explore habitat areas on your own.

KETCHIKAN, FIRST CITY OF ALASKA

An outstanding collection of totem poles make a visit to Ketchikan essential for anyone interested in native art and culture. For generations, Tlingit villages have maintained a tradition of welcoming visitors in regal style. Tribal elders have worked hard to pass on many stories and rituals you will witness during your visit.

JUNEAU, STATE CAPITAL OF ALASKA

Juneau's star attraction is arguably Mendenhall Glacier. This huge river of compressed blue ice is the largest, most rugged glacier accessible by road. But once you are at the foot of this imposing mountain, it will become apparent that this is just the tip of the iceberg of what Juneau has to offer.

STROLL THROUGH SKAGWAY

This compact city is full of historic architecture and interesting stories. Embark on one of our thrilling excursions or simply take a stroll through town — with a sunnier climate, it is the perfect port to explore on foot.

BOUNTIFUL BORDEAUX

Located in the north of the Aquitaine region in France on the Atlantic coast, the city, built on a bend of the river Garonne, is literally divided into two parts. **The world's wine capital, Bordeaux** has about 60 appellations, 9,000 wine-producing châteaux, 13,000 grape growers and an annual production of over 700 million bottles.

FORT MÉDOC & LANESSAN CASTLE (ENDING IN LE VERDON)

Enjoy a half-day tour full of history and the opportunity to sample locally produced Médoc wines. After boarding your transport, you will drive through the vineyard landscape of Médoc to its namesake **Fort Médoc** for an enlightening visit. This 17th century fort was designed by military architect Vauban. The fort's purpose was to protect the Gironde estuary against any British invasions and in 2008, it was named a **UNESCO World Heritage Site**.

Following your visit, you'll drive to Château Lanessan, a family owned estate built in 1878 that produces delightful wines, which you will be able to sample before returning to the ship.

Please note: The tour is not available to wheelchair guests and those with mobility concerns are cautioned to carefully evaluate their personal level of stamina and ability.

NOBLE NORWAY

Norway's history is written in the buildings and monuments of Norway's first capital and third largest city, **Trondheim**. The Sagas tell us how King Olav Tryggvason of Viking fame founded the city on this ice-free fjord in 997, mesmerized by the winding **Nidelva River** and lovely forested hills. The timbered architecture of the beautiful 11th-century Nidaros Cathedral is actually built over the tomb of St. Olav, and even today, Norwegian kings are crowned within its impressive nave.

In 1904, much of **Ålesund** was destroyed by fire, but the town was quickly rebuilt in the period's popular **Art Nouveau style**. Soaring turrets, spires and beautiful ornamentation adorn the buildings throughout Ålesund, giving it a distinctive flair and earning the town a revered architectural reputation. Explore its many attractions and enjoy its Norwegian seafood delicacies.

PICTURESQUE QUEBEC CITY

Prepare to be thoroughly charmed by this great historic city, Quebec being the only North American city to have preserved its ramparts, together with the numerous bastions, gates and defensive works.

COUNTRYSIDE OF QUEBEC

On this magnificent tour you'll be in the heart of the pristine countryside surrounding Quebec city.

Outside of the city limits and into the idyllic French Canadian countryside, you'll see the majestic **Laurentian Mountains** in the distance, the **St. Lawrence River** below, and **the wonders** of nature all around. Upon reaching serene **Lac-Beauport**, a scenic lake surrounded by emerald forest, you'll stop for photos. The views are stunning from the elegant **Montmorency Manoir**. At the southwestern tip of the island of Orleans, facing Quebec City, you'll drive through **Sainte-Pétronille**, a village that has been a fashionable summer resort since the 19th century.

THINGVELLIR NATIONAL PARK UNESCO WORLD HERITAGE SITE

North of Reykjavik, find a spectacular rift, which has produced dramatic fissures and cliffs demonstrating inter-continental drifting in a tangible way. The **National Park** is enclosed by a varied belt of mountains on three sides, featuring grass-covered lava fields and **Lake Pingvallavatn** at its southern end.

REYKJAVIK PANORAMIC CITY TOUR

Just as Iceland is a unique country, rugged and remote, yet modern and enjoying Nordic standards of affluence, so **Reykjavik** is a beautifully diverse capital city. As Iceland's capital and its main centre of population, the city of Reykjavik offers a fascinating mixture of the traditional and the very technically advanced. In addition, its natural beauty leaves a lasting impression. Visit the remarkable **solfatara fields of Krýsuvík** where you'll discover an expanse of steaming volcanic vents and boiling hot springs, framed dramatically by a range of multi-coloured hills.
