Pricing Guide

Prices in this brochure are based on the lowest available price at the time of print and are a guide only. All prices are subject to availability and subject to change due to factors such as currency fluctuations, taxes or seasonal surcharges.

Accommodation 'From' prices are per person per night twin share using the lead-in room type in low season based on the length of stay indicated on the individual property listing. A minimum stay is generally required. Where a price for more than a one night stay is featured, the nights must be taken consecutively.

Ask your travel consultant for the best price available, other room types or travel dates and refer to the inside back cover for our complete booking conditions.

Travel Tips

Ubud

Kuta Beach

When to Go

Bali, Lombok, Gili Islands & Nusa Lembongan have a tropical climate and are warm and humid all year round. May to September is the dry season with slightly cooler temperatures. October to April is the green season and is warmer and more humid.

Bali's peak surf is during the dry season when the west coast provides the best waves, while the green season brings great waves to the east coast.

Visas & Passports

A valid passport is required with at least six months validity beyond the intended stay. A visa is not required for stays of up to 30 days. Travel advice is available from the New Zealand Government Ministry of Foreign Affairs and Trade at safetravel.govt.nz.

Time

Bali, Lombok, Gili Islands & Nusa Lembongan are four hours behind New Zealand Standard Time (NZST).

Currency

The local currency is the Indonesian Rupiah (IDR).

Tipping & Etiquette

Tipping is not customary; however a token of appreciation is always welcome.

When visiting any religious site dress conservatively, avoid wearing short skirts or shorts above the knee and singlets or sleeveless blouses. A sarong and sash are usually available for hire at most sites. Remember to remove your shoes before entering a temple. Balinese culture is unique so take some time to learn about the varying customs and requirements.

Shopping

From the moment you reach Bali, you'll be astounded by the sheer variety of goods on offer. At local markets and shopping centres you'll find the real bargains. Bargaining is accepted just about everywhere except in supermarkets, department stores and hotels.

Language

Bahasa Indonesian is the official language, however English is widely spoken, particularly in major tourist areas.

Electricity

220V 50Hz. An adapter is required.

Nyepi Day

Nyepi Day 25th March 2020 – Bali Day of Silence – is the Balinese New Year. The day is celebrated by no activity, no traffic, no fires and a total day of silence across the island. There are no arrivals or departures to the island of Bali on this day.

Experiences You'll Love

The best part about travelling is the experiences you have along the way. There are countless amazing things to see and do in Bali. Here are a few of our favourites to help you create memories that will last a lifetime.

The Land of Temples

No visit to Bali would be complete without visiting some of the scenic temples (pura). From the holiest of temples – Pura Besakih and Pura Ulun Danu Bratan, to the dramatic – Pura Uluwatu and Pura Lempuyang, you'll find centuries-old architecture and deeply important spiritual meaning.

Swim, Eat, Drink – Repeat

Bali is renowned for its chill-out beach clubs where you can swim, dine, sip on a creative cocktail and listen to some cool tunes. Check out Finns in Canggu, Mrs Sippy and Potato Head in Seminyak or the adults only Omnia Uluwatu.

Uniquely Ubud

Whether you visit for a day or stay for a week, make sure Ubud is on your 'must-see' list. Take a tour to the Ubud Monkey Forest, explore the lush Tegallalang Rice Terraces or relax on a wellness themed escape with yoga, meditation and spa treatments a major drawcard to this magical area of Bali.

The Art of Dance

Bali is a spiritual island steeped in history and culture and ancient dance is part of that tradition. Watch a performance including the Barong, a well known story of good and evil, the Kecak, a hypnotic trance performed by men and the Legong, an expressive dance performed by young girls in exquisite costumes.

Savour the Flavour

Whether it's from tiny shops, cafés, high end restaurants or a beachfront seafood market, make sure you try the local cuisine. Feast on Babi Guling (suckling pig), sate (Bali's version of the classic satay on a stick), nasi goreng, nasi campur and freshly caught seafood barbecued to perfection.

Let's Go Surfing

Surf, sun and sand – the perfect holiday combo! Surfing is a major drawcard for this tourist mecca, with some of the most epic tubes in the world at Dreamland, Uluwatu and Padang Padang. Kuta is perfect for beginners with surf schools dotted all along the beach.

Bag a Bargain

Bali is a shopper's paradise. Bargain for a great price on local art, clothing, bags, sandals and jewellery at one of the many street markets including Ubud Art Market, Sukawati Art Market and Tegallalang Handicrafts Village. And don't forget the local chocolate and coffee.

Lombok & Gili Islands

Stunning Lombok provides a true laidback beach getaway. Go scuba diving, shop for traditional handicrafts or simply unwind on the beach. The nearby tranquil Gili Islands are a must-visit. Gili Trawangan is the largest and boasts lovely beaches, restaurants and lively bars. Walk around Gili Meno in less than two hours, it's that small. Uncrowded beaches, nature and simplicity are all on offer here. Gili Air is a charming tropical island with a special traditional feel. Snorkelling is possible straight from the beach.

- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.

- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
