# Experiences You'll Love

The best part about travelling is the experiences you have along the way. There are countless amazing things to see and do in Tropical North Queensland. Here are a few of our favourites to help you create memories that will last a lifetime.

## Soar Above the Reef

Take to the skies in a helicopter or plane for spectacular views of the Great Barrier Reef. Combine this with a rainforest flyover or land on a private sand cay for an intimate picnic.

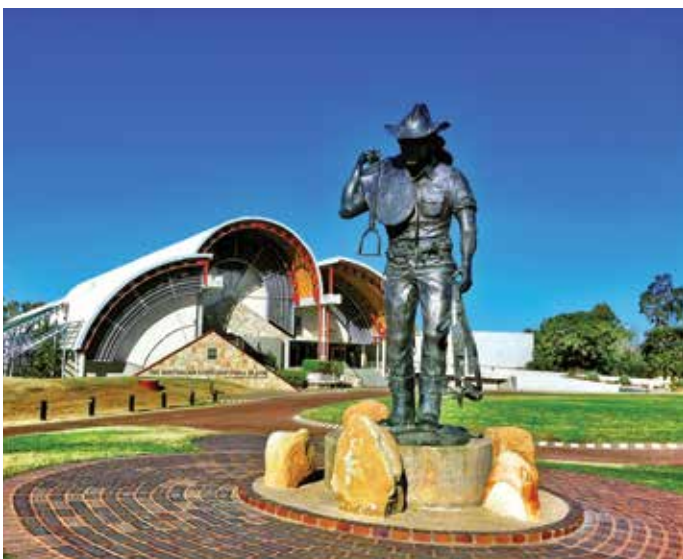

### Nature's Best

With 900,000 hectares of World Heritage Listed rainforest, there is no shortage of adventures to be had in either Cape Tribulation or the Daintree Rainforest. Hiking, jungle surfing, 4WD tours and crocodile spotting are just some of the activities that can be enjoyed in this tropical paradise.

### Birds, Butterflies & Markets

Visit the Kuranda Markets – famous for laidback vibes and local wares – and take the time to pick up a handmade souvenir to take home. The nearby Kuranda Butterfly Sanctuary is the largest of its kind in the Southern Hemisphere while Birdworld Kuranda will delight nature lovers with a dazzling array of native and exotic birds.

### You'll Go a Waltzing Matilda

Outback Queensland is home of the Waltzing Matilda Museum, the Qantas Founders Museum, the Stockman's Hall of Fame, old mining towns and heritage buildings. Drive, fly or take the train to this unique part of Queensland and be fascinated with pioneering stories and tales of the men and women who helped shaped the state.

### Island Time

Escape to a Tropical North Queensland Island for the ultimate romantic retreat. Treat yourself to an indulgent stay on Lizard or Orpheus Islands or laze on the iconic white sandy beaches of Fitzroy Island. For a secluded getaway, consider Bedarra and Green Islands.

### See You at the Top

Release your inner explorer and journey to the most northern part of the country – Cape York Peninsula. Cape York has been called the last frontier of Australia and is a tantalising mix of remote savannah, giant termite mounds, isolated beaches, waterfalls and rivers.

### Your Boomerang Might Come Back

Learn about Australia's Indigenous culture at Tjapukai Cultural Park. The experience begins with a live performance telling the Creation Story, complete with music and light show. Audience participation means you can learn to throw a spear and a boomerang, make fire and enjoy a lesson in bush tucker.

Deep in the heart of the Gulf Savannah region is a hidden oasis, Cobbold Gorge. The journey there is half the fun with an easy drive from the coast passing through the diverse landscapes from lush green tropical rainforest to the savannah plains.

A solar powered electric boat cruise of the gorge completes the visitor experience.

Finish the day being submersed in the infinity pool with swim up bar and cocktail list. Enjoy the modern comforts of Cobbold Village while discovering the spirit of the outback.

## 9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

## 10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

## 11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

## 12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

## 13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

## 14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

## 15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
