# Experiences You'll Love

The best part about travelling is the experiences you have along the way. There are countless amazing things to see and do in the Cook Islands. Here are a few of our favourites to help you create memories that will last a lifetime.

## **Another Day in Paradise**

Undisputedly one of the world's most beautiful lagoons, Aitutaki Lagoon is a South Pacific treasure. Secluded and romantic, the sparkling turquoise lagoon is dotted with 15 motus. Don't forget to mail a postcard or get your passport stamped from the world's smallest post office on Tapuaetai (One Foot Island).

### What a Pearler!

Treat yourself to the Cook Islands' most romantic souvenir – the small but perfectly formed black pearl. Avarua, Rarotonga's capital, has a great selection of speciality shops and not to be missed is the colourful Punanga Nui Market held every Saturday.

### Fifty Shades of Blue

The Cook Islands' crystal clear, warm waters are perfect for snorkelling and diving. Snorkel right off the beach and discover the incredible coral reefs bursting with marine life. With steep oceanic drop-offs, canyons and caves, it's a diver's dream.

### Playing with Fire!

Gain an understanding of tribal life and customs with a traditional village tour. Hear the beat of the drums and be amazed by the fire dancers at one of the 'Island Night' cultural shows. It is an unforgettable experience where history and traditions are shared through music, song, dance and food.

### Circle the Coast

Buckle up, wind the windows down and explore Rarotonga on four wheels (or two if you prefer pedal power). You can drive or scoot around the entire island in less than an hour, taking in changing landscapes of lush rainforest, flourishing plantations and white sand beaches.

### Welcome to the Jungle

Step away from the white sandy beaches and discover Rarotonga's thriving vegetation and breathtaking mountains. Get off the beaten track with a variety of inland adventure tours from buggies, quad bikes and 4WD safaris to eco cycle tours.

### Unwind, Island Style

The Cook Islands are all about relaxation and tranquillity. Set your body clock to island time and live like the locals do. Indulge in a rejuvenating spa treatment, laze by the pool or retreat with a cool drink to a hammock and listen to the sound of the waves.

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

## 12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

## 13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

## 14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

## 15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
