Taveuni Island

## When to Go

Fiji is warm and sunny most of the year with a dry season from May to October. November to April is the green season, with warmer temperatures and higher humidity. Divers, surfers and snorkellers will get the most out of their holiday by visiting during the winter months. For those wanting a lazy, beachside holiday, there is no bad time to visit!

## Visas & Passports

A valid passport is required with at least six months validity beyond the intended stay. A visa is not required for New Zealand passport holders. Travel advice is available from the New Zealand Government Ministry of Foreign Affairs and Trade at [www.safetravel.govt.nz](http://www.safetravel.govt.nz).

## Time

Fiji is on the same time as New Zealand Standard Time (NZST). Daylight Saving Time is observed from November to January when their clocks are turned forward by 1 hour.

## Currency

Fijian Dollar (FJD).  
ATMs are located in major urban areas. All major credit cards are widely accepted.

## Tipping & Bargaining

Tipping is not encouraged in Fiji. Bargaining is generally not encouraged, however may be acceptable with some Indo-Fijian merchants.

## Etiquette

Dress modestly when outside your hotel or resort and remove hats and sunglasses when visiting villages. Ladies should cover the knees and shoulders when visiting temples and villages.

## Language

English is the official language. Several Fijian dialects and Fijian Hindi are also widely spoken.

## Electricity

240V 50Hz. An adapter is required.

## Getting Around

Take the time to explore and discover as you make your way around Fiji. The standard left hand rule applies to driving in Fiji. The maximum speed limit in villages and towns is 50km/h, with 80km/h in less populated areas.

A current drivers licence from an English speaking country is required while drivers from other countries need an international driving permit. We recommend Avis car hire. See page 17 for details or ask your travel agent about the great specials Avis has to offer.

Fiji is the perfect destination for a driving holiday. While driving distances are short, it is important to note that the winding roads can mean travel times are longer than anticipated.

# Experiences You'll Love

The best part about travelling is the experiences you have along the way. There are countless amazing things to see and do in Fiji. Here are a few of our favourites to help you create memories that will last a lifetime.

## Underwater Playgrounds

Fiji is famous for its colourful, coral reefs. View from above while kayaking or from below while diving or snorkelling. You'll be spoilt for choice with numerous reefs sprinkled throughout the islands.

### Hint: It's not Point Break!

Board riders won't want to pass up the chance to surf Cloudbreak, often ranked among the ten most difficult waves in the world. Not a surfer? No problem! You'll still find it equally thrilling to watch those who attempt to ride it.

### When a Dance is Not Just a Dance

Dance is a symbolic part of Fijian culture, telling stories of life, love and culture. A Fijian Meke incorporates everything from a graceful fan dance to a blood-curdling spear dance.

### Be Pampered Like a Queen...or King

If you think the ultimate beach holiday consists of endless spa treatments, look no further than Fiji. Many resorts offer world class spa facilities providing everything from coconut milk baths to beachside massages.

### A River Runs Through It

Deep in the remote highlands of Viti Levu lies the Upper Navau River. Adrenaline junkies will relish rafting through volcanic gorges, down thrilling rapids and through countless waterfalls, all set against the backdrop of lush, emerald forest.

### It Takes a Village

Visit a Fijian village for an insight into traditional island life. Children and elders alike welcome visitors with warm hospitality and shouts of 'bula'. Visit schools, markets, churches, homes and even stay for a traditional meal.

### Relax to the Max

Malamala Beach Club is the world's first beach club located on its own private island. Enjoy a day pass allowing access to white sand beaches, beachside cabanas and an infinity edge pool before indulging in tasty treats and cocktails from the bar.

- 2.1 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.
- 2.2 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:
  - GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
  - The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.
  - Where for any reason, a Supplier is unable to provide particular facilities or services, then that Supplier may be entitled, under its contract with you to substitute those services or facilities with comparable or equivalent facilities or services without incurring any liability to you. You should check your contract with each Supplier.
  - All facilities or services described by us are subject to availability from the Supplier.
  - GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

## 3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

## 4. Information in the Brochure

- 4.1 This brochure was published on 5 November 2018 and is valid for services used 1 April 2019 to 31 March 2020 unless otherwise advised. Exchange rates used when costing this brochure are as at 10 October 2018.

- 4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.

- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.

- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.

- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

## 5. Prices

- 5.1 All prices shown in this brochure are on a per person basis unless otherwise stated and are expressed in New Zealand dollars. Vehicle rates are per vehicle.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
- 5.4 All prices exclude travel agent service fees.

## 6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

## 7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

## 8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

## 9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

## 10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

## 11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

## 12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

## 13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

## 14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

## 15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
